ORDINANCE NO. 149

The Board of Supervisors of the County of Mariposa, State of California, do ordain as follows:

SECTION 1. The provisions of the "California Restaurant Act", Chapter 334, Section 1947, prescribing standards of sanitation, health and hygiene for restaurants, together with any amendments to said act, are hereby adopted and made a part of this ordinance by reference the same as though fully set forth herein.

SECTION 2. It shall be unlawful for any person to operate a restaurant in the County of Mariposa who does not possess an unsuspended and unrevoked license as required by Ordinances No. 105 and No. 148 and amendments thereto. Only persons who comply with the requirements of this ordinance and with the California Restaurant Act shall be entitled to receive and retain such a license. Persons conducting an itinerant restaurant shall also be required to secure a license.

Such a license may be temporarily suspended by the County Health Officer upon the violation by the holder of any of the terms of this ordinance or of any provision of the California Restaurant Act.

SECTION 3. Samples of food, drink, and other substances may be taken and examined by the County Health Officer or his authorized representative as often as may be necessary for the detection of unwholesomeness or adulteration. The County Health Officer may condemn and forbid the sale of, or cause to be removed or destroyed, any food or drink which is unwholesome or adulterated.

1.
SECTION 4. At least once every six months the County Health Officer or his authorized representative shall inspect every restaurant within the County of Mariposa. In the event that any violation of any item of sanitation provided for by this ordinance or the California Restaurant Act is detected during any said inspection, the County Health Officer personally shall make a second inspection not less than ten or more than twenty days thereafter. The second inspection shall be used in determining compliance with the requirement of this ordinance. Any violation of the same item of this ordinance or of the California Restaurant Act on such second inspection shall call for immediate suspension of the license.

One copy of the inspection report shall be posted by the County Health Officer or his authorized representative upon an inside wall of the restaurant, and said inspection report shall not be defaced or removed by any person except the County Health Officer or his authorized representative. Another copy of the inspection report shall be filed with the records of the Health Department.

The person operating the restaurant shall upon the request of the County Health Officer or his authorized representative permit access to all parts of the establishment and shall permit copying any or all records of food purchased.

SECTION 6. Any restaurant, the license of which has been suspended, may at any time make application for reinstatement of the license.

Within five days after the receipt of application,
