We help provide a strong foundation for you and your children's future.

Smart Start
For you & your baby
Creating a Family-Nurse Partnership
All Mariposa County residents are eligible. Smart Start is available at no cost to every pregnant person and every family with children. The primary goal is to improve the brain development and health of children from pregnancy through age 3 years old.

**Who is Eligible?**

A Health Department Nurse will visit your home to help you with:

- Pregnancy visits and post-partum visits
- Reducing the risk of illness and injury
- Promoting nurturing parent-child relationships
- Improve the physical, intellectual and emotional growth of your child
- Increase access to primary care medical services and community services

**Smart Start Visits**

- Pregnancy visits and post-partum visits
- Reducing the risk of illness and injury
- Promoting nurturing parent-child relationships
- Improve the physical, intellectual and emotional growth of your child
- Increase access to primary care medical services and community services

**Smart Start**

is a home-based voluntary program serving you and your family during pregnancy and after the birth of your baby. It provides support services to get your child off to a “Smart Start” in life.
