DEPARTMENT: Fire Protection   BY: Gary Gilbert    PHONE: 966-3622

RECOMMENDED ACTION AND JUSTIFICATION:
This department is requesting policy direction on payment of medical training which is at a higher level than is required by the local health authority. This direction is needed due to a request for EMT training for volunteers in El Portal. Their request for financial aid for the training was not budgeted in the 91/92 fiscal budget. Currently, County volunteer fire fighters are provided the first responder level of medical training at no cost; this is the highest required training in Mariposa County. Major policy consequences will need to be addressed if this type of training is paid for.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
No Board action has been taken on this issue.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
1. Volunteer Company can pay for from fund raisers or company funds.
2. Supervisor in respected area can pay for, accepting consequences of future requests.
3. Appropriate funds from general contingency to the fire department budget for this request and future requests of this type of training.
