DEPARTMENT: TAX COLLECTOR  
RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: ( ) Yes (x) No)

Recommend approval of transfer from Tax Collector's Cost Fund to Transportation and Travel, to be used on learning HITE software and for educational meetings on investments. Amount recommended is $2,650.00.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

HITE is offering a training workshop in Long Beach where they will discuss at length many of the programs that we have on our mainframe computer. We feel that it is important that someone attend this workshop in order to better understand the programs, and to suggest and recommend changes that will benefit our departments. Also, because of the Orange County Treasurer's finance, the State and our Treasurer's Association are scheduling several training seminars on Treasury management, and investment of public funds, which is extremely important to attend.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
1. Approve request, and increase knowledge in use of the mainframe software, as well as speeding up the on-hands application.
2. Approve request, and increase knowledge on public fund investments, and Treasury management, keeping our money safer.
3. Deny request, and operate status quo.

Justification: $1,450.00 for HTE Users group conference in Long Beach, CA on May 22-25 1995. This is an important workshop for users of the HTE software on the mainframe. This should be scheduled with other departments who wish to attend, to cut expenses. $1,200.00 for travel to education seminars put on by the State of Calif. and the Association of County Treasurer's, as a result of the Orange County fiasco. These are extremely important for the education of proper investments, and continuing legislation proposals and changes being rapidly made. None of the above were budgeted for at the regular budget hearings.
