Resolution authorizing a contribution in the amount of $1,500 from the Fish and Game Fund to the United States Department of the Interior-National Park Service for the production of an educational video program, illustrating threats to Sierra Nevada mule deer.

This video will promote similar cooperative efforts, gain local support for wildlife management programs, and will be used as an important educational tool concerning the threats to Sierra Nevada mule deer. Additionally, this video will document the formation, operation, and accomplishments of the Yosemite Deer Herd Advisory Committee (YDHAC), a group of state, federal and local organizations formed to provide cooperative management and protection of mule deer.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Yosemite National Park has provided $2,000 to begin this video project and has made its video production equipment, facilities, and personnel available for production. The counties of Stanislaus, Merced, Tuolumne, and Madera are also considering contributions. Gallo Winery has indicated that they will fund the difference collected from supporters to reach the $10,000 goal to cover costs. Similar requests have been funded from this fund in the past. As of 02/28/95 the Fish and Game Fund (003) has a balance of $7,467.66.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

1) Take action contributing $1,500 for this project.
2) Take no action at this time.
3) Provide direction.

Dear Wildlife Enthusiast:

For the last 25 years, Yosemite National Park has been a member of the Yosemite Deer Herd Advisory Committee (YDHAC); a group of state, federal, and local organizations formed to provide cooperative management and protection of mule deer. The success of this committee in bringing together diverse goals for the welfare of deer has been an inspiring example of modern wildlife management.

To use this success as an educational example, the committee is endeavoring to produce a 15-minute video program that illustrates the threats to Sierra Nevada mule deer and documents the formation, operation, and accomplishments of the YDHAC. Such a video would promote similar cooperative efforts, gain local support for wildlife management programs, and be an important educational tool.

In recognition of the importance of this video, Yosemite National Park has provided $2,000 to begin the project and has made its video production equipment, facilities, and personnel available for production. An additional $10,000 is needed, however, to cover costs. Mr. Ed Channing, Chairman of YDHAC, has generously volunteered to solicit donations for the video’s production.

If you wish to contribute to this project, please send your check, made out to "USDI - National Park Service" to:

Budget Office
P.O. Box 577
Yosemite National Park, CA 95389
attn: Maggie Martin

The check may be also given to Mr. Channing, who will send it to us. Please be sure to write "Acct# 8800-7292-600" on the check to ensure it goes to the right account. Of course, all donations are tax deductible, so be sure your name and address accompanies the check so you can be issued a receipt.

Thank you for your interest in wildlife education.

Sincerely,

Steve Thompson
