RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes__ No X__)

Appropriate $4,832 in additional revenue from the State and authorize the purchase of updated computer equipment and Software to run the enhanced version of the Quarterly Administrative Claim to the State.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The State Administrative Claim has become so complex that the State has provided one time funding for Counties to purchase special equipment that will meet state standards and specifications. This is timely for our department in that our administrative claim involves almost $1.5 million per year, the state continually adjusts this demanding process, and our equipment was last updated in 1990. (See attached).

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

1). Continue using current equipment until State automated claim does not work on our PC and then do claim manually. This would be an almost impossible process for our staff.
