RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes _ No X)
The Family Support Division of the District Attorney's Office has been asked to be a pilot county for the Statewide Automated Child Support System (SACSS). The benefit of becoming a pilot county is that there will be more state and vendor support. Mariposa County, being totally manual, would also benefit by being one of the first counties to utilize automatic locate processing, more support orders established and increased collections.

The current schedule calls for Mariposa County to be implemented into SACSS as of October, 1995. The SACSS equipment must be delivered and installed approximately two months prior to implementation, i.e., August 1995.

The cost of the equipment, $31,820.85, is presently eligible for enhanced funding paid at 90% by federal funds and 10% by county funds. The possibility exists, but is not likely, that the federal government could retroactively disallow enhanced funding and the county would be obligated to pay the difference, 34% vs. 10%. The difference would be $7,637.00.

It is requested that the Board authorize the acquisition of fixed assets prior to adoption of the final budget.
