RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes__ No X)

Adopt Resolution to transfer Planning Department unanticipated revenues of $10,000 from revenue account to fixed assets account for the purchase of computer equipment (3 computers and one printer). Currently 7 Planning staff share 2 computers. Work productivity would increase significantly with increased computer availability.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

In January, as part of the mid-year report, a request was submitted to transfer unanticipated revenues for the purchase of computer equipment and networking. That request was not acted upon. Since that time, it has become evident that total Planning fee revenues will surpass projections by approximately $15,000 - $20,000. The transfer and appropriation of $10,000 of these funds will maintain the projected Planning Net County Cost for 1994-95 below that projected in the 3rd quarter report.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Without additional computers, planning staff productivity cannot increase. If funds are not transferred they will revert back to the General Fund at year end.

COSTS:

A. Budgeted current FY
B. Total anticipated costs
C. Required additional funding
D. Internal transfers

SOURCE:

A. Unanticipated revenues
B. Reserve for contingencies
C. Source description:
Balance in Reserve for Contingencies, if approved:
