RECOMMENDED ACTION AND JUSTIFICATION:  (Policy Item: Yes___ No X)  

That the Board approve the transfer of funds from salary savings to fixed assets for the purchase of two way communications radios for two vehicles assigned to the Human Services Department.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The department is in need of two radios, one for installation in a new vehicle primarily assigned to Child Protective Services and the second radio as replacement for a radio in a vehicle primarily used by the County Fraud Investigator.

The radio being replaced was originally acquired as a used radio from CDF that was taken out of a retired county fire vehicle. Due to the age and condition of the radio it no longer functions dependably and cost of repair would exceed the cost of replacement.

Prices quoted from Merced Communications is $606.98 per radio to include a 45 Watt Motorola radio, antenna and installation.

Both vehicles are primarily used in the field for emergency referral and investigation purposes and two way communications with the sheriffs department is necessary to insure the safety of both the public and department employees.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Radios will not be available in two department field vehicles restricting communication with other emergency services with possible impact to the safety of the public and some county employees.
