BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Department of Public Works has advertised for, and received three formal bids to construct the HVAC - Building/Planning Department Project No. PW 92-28. One bid received was rejected because there was no bidder's bond or security presented with the bid. Qualified bids were received from Rodathe Construction and Natural Environments. There are eight bid items to select from. It has been determined after evaluation of the Project and available funding that the best value would be in selecting the base bid, items 1 HVAC and 2 Landing & Catwalk, item 4 Insulate under Floor, and item 8 Insulate Attic with Blown Insulation. Rodathe Constructions bid total for items 1,2,4,8 is $13,843.00. Natural Environments bid total for the same items 1,2,4,8 is $13,416.00. We therefore recommend to award a contract to Natural Environments for bid items 1,2,4,8 in the amount of $13,416.00.

On 12-1-92 the Board approved funding for various building enhancement projects within the Facilities Maintenance budget. The funding was from the General Fund Reserve for Contingencies. An amount of $8,800.00 was included for this project.

There are additional funds in the approximate amount of $11,400.00 available that were not expended in the Lind House remodel project, of which $10,600.00 is requested.

This project was listed in the C.I.P. and a Notice of Completion was issued on October 19, 1992.
