Resolution approving the road name "Echo Hill Drive". The road name is consistent with the road naming requirements of County Resolution No. 92-541. The hilly terrain of the area produces echoes of sound made along the road. All property owners served by the road have been notified, and five (5) of the seven (7) property owners have approved the road name. The two (2) property owners not approving the road name objected to the changing of their mailing address which will occur when the road is named.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board adopted Resolution No. 92-541 in 1992 establishing criteria for naming non-County roads. Generally, road names are to be developed around some historical, botanical, zoological, or geological significance as they directly relate to Mariposa County. All property owners served by the road must be notified of the road name request.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

ALTERNATIVES: 1) Continue matter; 2) Deny road name request and direct applicant to provide another road name and application.

NEGATIVE ACTION would result in the road name not being approved and the applicant not being able to comply with a condition of approval of Land Division Application No. 1396.
