Dear Supervisor Baggett:

I would appreciate your assistance in presenting the attached resolution to your peers. I am a member of USA Owned/USA Made which is a national non-profit, non-partisan organization dedicated to promoting American products and services.

We are sponsoring "Try American Day" on Labor Day, September 6, 1993.

To date the governors of California, Nevada, Arizona and Utah are committed to signing a resolution. Many other National, State, County and City legislative members have sponsored a resolution designating Labor Day as "Try American Day." A list of those committed is attached, although it is not complete - new resolutions are being faxed to us everyday from across the nation!

In this time of economic recession, trying American products and creating jobs for Americans is an issue on many resident's minds. We believe Try American Day can give your community and our Country needed lift. We think your local media would be willing to cover your actions sponsoring the resolution as well -- we've had great success with media coverage so far.

We ask for your support by officially declaring Labor Day, September 6 1993 as "Try American Day" in your community.

Thank you in advance for your consideration. For further information please call USA Owned/USA Made founder Rick Muth, Susan Morgan, or myself at 1-800-USA-OWN7 (1-800-898-6967).

Sincerely,

Member, USA Owned/USA Made

P.S. If you sponsor a resolution, could you please fax a copy to me at 714.895.4021 -- we're planning on sending out copies of all resolutions to the local and national media.
