RECOMMENDED ACTION AND JUSTIFICATION:
(Policy Item: Yes ___ No X)

Resolution to award the contract for annual roadside herbicide spraying to Custom Weed Control Enterprise and authorize the Director of Public Works to sign the Contract for Services.

Custom Weed Control's bid was $26,196 and was the only bid received. However, we will decrease the mileage in order to fit within the budgeted amount of $25,000.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On September 7, 1993, the Board authorized Public Works to advertise for formal bids for the annual roadside spraying contract on 200 miles of County-maintained roads and right-of-ways. The spray program requires application in the fall and spring.

On March 16, 1993, the Board directed Public Works to pursue a formal bid process for an annual contract for roadside herbicide spraying. In the spring of 1993, Public Works was authorized to enter into a contract with Custom Weed Control for a one-time application of right-of-way spraying. They did perform a good job for the County.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

1. Do not award the contract and direct Public Works to go for a rebid. This would delay the spraying program and would likely cause us to not have a fall spraying.

2. Do not award the contract and direct the Road Division to do the spraying; the cost to the County would be greater.

COSTS:

A. Budgeted current FY
B. Total anticipated costs
C. Required additional funding
D. Internal transfers

SOURCE:

A. Unanticipated revenues
B. Reserve for contingencies
C. Source description:
