The Department of Public Works recommends that the Board award Bid Number PW 93-05, for three (3) 1994, 4x4, 1-ton pickups with snow plows for the Road Division, to Country Ford Trucks, Inc. in the amount of $73,041.69.

The bigger trucks with snow plows will give the Road Division much more flexibility, especially during the winter months, keeping the roads clear in areas that were difficult to do with the dump trucks. This purchase will give the County six pickups trucks for snow removal.

These vehicles will replace vehicle #721, a 1972 Chevrolet Custom 10, 1/2-ton pickup; #751, a 1975 Chevrolet Custom 10, 1/2-ton pickup; and #781, a 1978 Chevrolet Custom 10, 1/2-ton pickup. All vehicles will be sold at auction at a later date.

The Board has approved the purchase of Road Division equipment from available Road Funds. In the 1993-94 budget hearing, $80,000 was approved for the purchase of four new vehicles. The additional cost of the snow plows will come from available funds.
