RECOMMENDED ACTION AND JUSTIFICATION:

Policy Issue: Yes () No (x)

1. Adopt the attached Resolution of Intention to form a Zone of Benefit;
2. Set a date and time for a Public Hearing to:
 - a. consider the provision of the additional types of extended services proposed in the Zone of Benefit to be established, and
 - b. determine the appropriate charges for the extended services to be provided.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Under current County policy, the formation of a Zone of Benefit is required on all subdivision roads that have the potential to serve more than four parcels. The applicant has applied for this Zone of Benefit to cover the primary access road within the boundaries of his land division. The Board has previously approved numerous other Zones of Benefit. To date, the Board has only denied a few applications, based on the number of parcels that could potentially be served by their roads. The road covered under this application serves the four parcels created by this land division; additionally, the re-division potential could allow other parcels the use of the same road.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not adopt this resolution; and have the applicant develop another means to insure the maintenance of his land division road.
