RESOLUTION - ACTION REQUESTED 2017-86

MEETING: February 21, 2017

TO: The Board of Supervisors

FROM: Rosemarie Smallcombe, District I Supervisor

RE: Resolution Approving the County’s Participation in the CSCDA Program

RECOMMENDATION AND JUSTIFICATION:
Adopt a Resolution consenting to the inclusion of properties within the County’s jurisdiction into the California Statewide Communities Development Authority (CSCDA) Open PACE Programs; Authorizing the CSCDA to accept applications from property owners, conduct contractual assessment proceedings and levy contractual assessment within the territory of the County of Mariposa; and Authorizing related actions.

Please see the attached staff report prepared by the CSCDA Open PACE Program for additional information.

The Board has previously approved the County’s participation in similar programs with the Golden State Finance Authority (GSFA) Joint Powers Agreement through Ygrene’s Property Assessed Clean Energy (PACE) program, and the California Home Energy Renovation Opportunity (HERO) program. It is common practice in many jurisdictions to have several options available to property owners on these types of programs, as the conditions and terms of the specific programs are slightly different and one program may be a better fit dependent on the property owner’s circumstances.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
On April 7, 2015, the Board adopted several resolutions consenting to the County’s participation in the Ygrene PACE program sponsored through the Golden State Finance Authority (GSFA), which was formerly known as California Home Finance District.

On May 24, 2016, the Board adopted a Resolution and the necessary JPA Amendment to implement the California Home Energy Renovation Opportunity (HERO) Program.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Do not approve the Resolution and the CSCDA Open PACE program will be unavailable to Mariposa County property owners.
FINANCIAL IMPACT:
None
