RESOLUTION - ACTION REQUESTED 2017-324

MEETING: May 23, 2017

TO: The Board of Supervisors

FROM: Mike Healy, Public Works Director

RE: Approve West Whitlock Road Project Change Orders and Extend the Contract Date

RECOMMENDATION AND JUSTIFICATION:
Approve Change Orders Numbers 1 through 10 and 13 through 18, Classify the Project as Substantially Complete and Extend the Contract Term Until June 30, 2017 to Allow for Project Closeout and Final Payment; and Authorize the Public Works Director to Sign the Change Orders.

This project encountered troublesome soil conditions, unforeseen underground conditions including springs that materialized once the base soils were disturbed by construction activity and additional culverts that were not identified during the design phase; all of which led to additional costs. The total percentage of these Change Orders amounted to 18.40% over the original contract price.

Other Change Orders to this project were for lane pavement widening where possible, traffic safety enhancements, winter storm damage caused to the project which was not the fault of the contractor and the removal and replacement with pavement of an obsolete cattle guard structure.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Board has traditionally recognized and approved necessary Contract Change Orders and necessary Contract Extensions in the past.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
This contract will expire and the County will be unable to issue final payment to the contractor for work completed on this project.

FINANCIAL IMPACT:
Approval of this item will have no financial impact to the County as this project is 100% Grant Funded
