RESOLUTION - ACTION REQUESTED 2017-249

MEETING: May 2, 2017

TO: The Board of Supervisors

FROM: Chevon Kothari, Human Services Director

RE: Agreement with Shaun Quinn to Provide MH Triage Services

RECOMMENDATION AND JUSTIFICATION:
Approve an Agreement with Shaun Quinn to provide Mental Health Triage Services in an amount not to exceed $35,000; and authorize the Board of Supervisors Chair to sign the Agreement.

The triage contractor, under general supervision of the after-hours supervisor, will provide mental health triage response for individuals in the hospital, the jail and in the field when the Sheriff’s department requests a triage worker to respond with them. The triage worker will determine if a community member qualifies for a psychiatric assessment or whether there are resources from family members, a friend or other community individuals that can provide support so the individual can remain in his/her home.

The Mental Health Triage Contractors will provide after-hours and weekend 24 hour services to clients in a mental health crisis. This Agreement is necessary to perform the activities of the Mental Health Triage Grant. The Human Services Department received a Triage grant award in the amount $699,428, with a contract term from March 24, 2014, through June 30, 2017. Funds from this grant have been extended through the fiscal year 2017-18.

The grant funding must be used to expand and enhance the Department’s ability to adequately respond to mental health crisis situations experienced by the residents of Mariposa County.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The existing agreement with Shaun Quinn was approved on June 28, 2016 by Resolution 2016-340.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
If this Agreement is not approved, the Department may be unable to adequately serve after-hours and weekend mental health crisis needs and comply with the grant terms that expand mental health crisis services to county residents. Non-compliance may jeopardize all or part of the grant funding.

FINANCIAL IMPACT:
This contract is funded primarily by the Triage Grant Award accepted by the Board on June 17, 2014. These contract expenses are budgeted in the Mental
Health Services Act Triage Grant fund 443 and the Mental Health fund 001-0402 for Fiscal Year 2017-18. There is no impact to the County General Fund.

4. **INSURANCE**

Contractor shall procure and maintain for the duration of the agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

   A. **MINIMUM SCOPE AND LIMIT OF INSURANCE**

   (1) Commercial General Liability (CGL): Insurance Services Office (ISO)Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than $2,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

   (2) Automobile Liability: ISO Form Number CA 00 01 covering any auto, (Code 1), or if Contractor has no owned autos, hired (Code 8) and non-owned autos (Code 9), with limits no less than $1,000,000 per accident for bodily injury and property damage.
(3) Workers’ Compensation insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than $2,000,000 per accident for bodily injury or disease.

(4) Professional Liability (Errors and Omissions) Insurance appropriate to the Contractor’s profession, with limit no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate. If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

B. OTHER INSURANCE PROVISIONS

The insurance policies are to contain, or be endorsed to contain, the following provisions:

(1) Additional Insured Status: The County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 forms if a later edition is used).

(2) Primary Coverage: For any claims related to this Agreement, the Contractor’s insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, or volunteers shall be excess of the Contractor’s insurance and shall not contribute with it.

(3) Notice of Cancellation: Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the County.

(4) Waiver of Subrogation: Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.

(5) Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by the Entity. The Entity may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
(6) Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A: VII, unless otherwise acceptable to the County.

(7) Verification of Coverage: Contractor shall furnish the County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor’s obligation to provide them. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

(8) Subcontractors: Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.

(9) Special Risks or Circumstances: County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

5. HOLD HARMLESS/INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall hold harmless, defend at its own expense, and indemnify Entity its officers, employees, agents, and volunteers, against any and all liability, claims, losses, damages, or expenses, including reasonable attorney’s fees, arising from all acts or omissions to act of contractor or its officers, agents, or employees in rendering services under this contract; excluding, however, such liability, claims, losses, damages, or expenses arising from Entity’s sole negligence or willful acts.

6. INDEPENDENT CONTRACTOR

It is the expressed intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venturer or partner of County. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Agreement.

7. PUBLIC EMPLOYEES RETIREMENT SYSTEM (CALPERS)

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of the County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

For the purposes of this subsection, default or material breach of this Agreement shall include, but not be limited to, any of the following: failure to perform required services in a timely manner, willful destruction of County property, dishonesty, or theft.

16. **NO WAIVER**

The failure to exercise any right to enforce any remedy contained in this Agreement shall not operate as to be construed to be a waiver or relinquishment of the exercise of such right or remedy, or of any other right or remedy herein contained.
17. DISPUTES

Should it become necessary for a party to this Agreement to enforce any of the provisions hereof, the prevailing party in any claim or action shall be entitled to reimbursement for all expenses so incurred, including reasonable attorney’s fees.

22. COUNTERPARTS

This Agreement may be executed simultaneously and in several counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument.

23. OTHER DOCUMENTS

The parties agree that they shall cooperate in good faith to accomplish the object of this Agreement and, to that end, agree to execute and deliver such other and further instruments and documents as may be necessary and convenient to the fulfillment of these purposes.

Contractor hereby warrants that all work shall be performed in accordance with generally accepted professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Contractor’s work by County shall not operate as a waiver or release.

In this event, the County shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement. Contractor’s assumption of risk of possible non-appropriation is part of the consideration for this Agreement. County budget decisions are subject to the discretion of the Board of Supervisors.

b) The triage worker will have a basic knowledge of individual and group behavior; current issues in the field of mental health; principles of interviewing and problem-solving methodology; basic principles and techniques of interviewing and recording crisis notes and 5150 assessment and hospitalizations; laws, basic principles involved in the nature, growth and development of personality; knowledge of public and private community resources.
