RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ( ) No (X))

Public Works recommends that the Board accept the offer of Foster Farms to purchase construction material in an amount not to exceed \$25,000 for the replacement of the Blade Creek Bridge on Oak Grove Road if said costs are less than \$25,000. The Roads Division will supply the equipment and manpower to replace the timber bridge with a steel multi-plate arch culvert including widening from one lane to two lanes.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Foster Farms is concerned about the ability of the existing bridge to safely support the weight of their trucks and have made this tentative offer. Public Works and a representative from Foster Farms will be present at the Board meeting to discuss cost impacts and financial arrangements.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

1. Request Foster Farms to pay for all materials costs if greater than \$25,000. They would likely reject this.
2. Direct Public Works to pay for materials costs in excess of \$25,000, if any. This would have a significant impact on the Roads Budget.
3. No action. The bridge could not be replaced in the near future.
