RECOMMENDED ACTION AND JUSTIFICATION:

Approve resolution and waive data processing user fees to CDF. Public Resource Code 4290, Firesafe Regulations, went into affect January 1, 1992 and with this implementation CDF has found a need to access assessor's parcel numbers. This need is due to construction plan review and the need to maintain records which affect new construction. CDF will purchase the modem and accept responsibility for installation if Mariposa County waives user fees. Data Processing Coordinator concurs with this proposal.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

No action has been taken on this issue. Board has waived user fees for other agencies such as title companies.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

- 1. Not approve resolution, CDF will have to pay the user fees.
