RECOMMENDED ACTION AND JUSTIFICATION:

Recommend resolution adding the purchase of one additional computer/printer for the AMICRS Program in Fiscal Year 1991-1992 to existing bid available (CHDP computer bid of March 17, 1992). We have just recently received approval for this purchase from the State. This computer is needed to accumulate the ambulance indigent care information required by the AMICRS reporting system, which allows the County to expend "RHS unallocated" funds each Fiscal Year. The Health Department will purchase the same exact computer from the same vender at the same price as approved under the bid process by the Board on March 17, 1992, (Bids closed 4/7/92) for the CHDP Program at the Health Department. The purchase of the computer/printer must be accomplished prior to June 30, 1992, or the money will have to be returned to the State.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board approved the purchase of a computer for the Health Department's CHDP Program on March 17, 1992.
