RECOMMENDED ACTION AND JUSTIFICATION:

Public Works recommends that the County Board of Supervisors (BOS) adopt this resolution approving and accepting the common line between Mariposa and Tuolumne Counties as shown on "PARCEL MAP FOR PAUL D. CHAPIN JR."

BACKGROUND AND HISTORY OF BOARD ACTIONS:

State Law requires approval of maps, that definitely establish county lines not previously surveyed, by the Board of Supervisors in each county affected. Mariposa County staff has met with the Tuolumne County Surveyor on the site of this survey, inspected the monuments set on this survey, and determined that this map shows the location of the county line accurately.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If the Boards of Supervisors in Mariposa and Tuolumne Counties do not accept the location of the county line as shown on this map, the property owner can petition the Counties to have the County Surveyors survey the line. If the two Boards do not accept the line established by the County Surveyors, then the State Lands Commission will establish the boundary between the counties.
