RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes __ No x__)

Recommend resolution authorizing Health Officer to apply for State and Federal grant funds to establish a Maternal-Child Health Program; recommend resolution establishing the full time position of Public Health Nurse I at step 190-206/1 to direct the program. We have never received these MCH monies before -- they were directed to the Office of Local Health Services in Redding. We now have the opportunity to obtain these funds, combine them with Perinatal Outreach funds (from Prop 99) and establish a program to serve mothers and pregnant women in this County. It is anticipated that these funds will continue indefinitely. We will need a full time Public Health Nurse to oversee and carry out this program.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board previously authorized our application for Perinatal Outreach funds by Resolution 92-220.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Direct that the money should be sent to the State Office of Local Health Services and do not establish perinatal or maternal-child health services here.
