RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No X)  
Appropriate funds, sign contract purchasing custom Voter Registration and Jury Selection software from Cardoni & Associates and Waive of Formal Bid Process ($13,500). This software is required to replace functions currently performed by the Basic IV computer which is due to be decommissioned. An investigation showed no off-the-shelf software is available to perform this function on the AS400 computer requiring that it be custom written. Cardoni & Associates are familiar with the Counties AS400 system.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Board authorized replacement of the Basic IV computer with the expanded AS400 system. Software has been purchased to replace all Basic IV functions except for Voter Registration & Jury Selection and Recording.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
1. Approve the software purchase; waive formal bid process: An investigation showed that the software would have to be custom written for the County.
2. Do not approve the purchase requiring the function to remain on the Basic IV computer which would postpone decommissioning the Basic IV and require the County to continue paying maintenance costs.
