

DEPARTMENT: Public Works By: Larry Pollard
Director

RECOMMENDED ACTION AND JUSTIFICATION:

Public Works requests the Board of Supervisors pass and adopt this resolution amending the Employee Allocation Schedule to delete the Drafting Technician (Range 138-154) and add Engineering Technician I/II (Range 144-160, 157-173 respectively).

Resolution No. 91-9 is amended and superseded in its entirety, and Employee Allocation Schedule, Exhibit A-191, together with Schedule of Salary Ranges Exhibit C-1 and D-1 are attached hereto by this reference.

The needs of the Engineering Division of Public Works have been reevaluated upon the resignation of the Drafting Technician. An Engineering Tech is less specialized and has a broader spectrum of skills for performing the tasks necessary to achieve the needs of Engineering. The Eng. Tech. would have the drafting capacities necessary and be able to improve the present Engineering team. For the remainder of the fiscal year, there would be a savings because Public Works will not have either position filled for two months. The additional cost in future years would be approximately \$2,000/year.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board in the past has approved amendments to the Employee Allocation Schedule.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

1) Do not amend the schedule. Public Works will recruit a Drafting Technician.
