TO: All Service Providers
FROM: Sherri Tucker, A12AA Fiscal Manager
SUBJECT: Budget Revision and Review

Final budget revisions for all programs are due in our office on April 12, 1991. Some programs have just received an increase in funding which is stated below along with an analysis of your expenditures and revenues reported to January, 1991. I have tried to identify areas in which you may wish to consider adjusting your projected budgeted amounts. Keep in mind that we are striving to stay within 10% of each line item and some of your programs are clearly not within those guidelines. Regardless of whether your current budgeted amounts are realistic, if your funding amount changed, we will need a budget revision either increasing program costs or decreasing matching cash in order to bring your required grant amount to the current adjusted amount.
