RE: INFORMATION RE: Walt and Tillie Stroming

Margie Williams got information on Walt for a resolution not too long ago. Check with her if she still has it; if not I'll reassemble what I know.

Tillie Stroming started working for the fair in 1946 and was named manager on July 1, 1969. She retired in April of 1976. She has remained an active fair supporter since her retirement by selling tickets for the barbeque and helping wherever she is needed.

Elmer Stroming knows alot more details that I have in our personnel files. His telephone number is 966-3679.

Dear Art:

The Board of Directors discussed the dedication of the Mineral Building as the Stroming Building at their regular meeting held last night.

It has been decided to dedicate the building at 6 PM during the July 15 Board meeting. Tillie Stroming has indicated she does not want an elaborate ceremony, preferring to keep it as simple as possible. Therefore, the Board of Directors, Stroming family members and local media representatives will be invited. The Board of Directors would also like to extend an invitation to you as a member of the Mariposa County Board of Supervisors/

The Board of Directors has ordered a small bronze plaque to be mounted on the outside of the building near the entrance. The plaque states "Stroming Building, dedicated to Walt Stroming, Tillie Stroming, Elmer Stroming, 1991."

We hope you will be able to attend the dedication.

Sincerely,

Linda K. Sinclair  
Interim Manager
