RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No X)

Recommend resolution authorizing Health Officer to award the bid for two-way radios and a base station to Cook's Communication in the amount of \$1,979.99. On June 18, 1991, the Health Officer opened bids for the two-way radios. Four (4) bids were received but information was incomplete. By the time info received, we had entered the next fiscal year. Recommend purchase of the lowest bid with the understanding that the final budget will be increased to reflect the roll over of these funds from FY 1990-1991 for this expenditure. Tax and installation has been added to the bid price for a total of \$1,979.99. Please authorize purchase before the final budget approval.
