Due to the limited number of bids received, for the sedan wagon, Public Works recommends that the Board of Supervisors (BOS) reject all bids and go out to bid again after September 1, at which time vendors will have received pricing on new 1992 model year vehicles and will be able to bid. (Board of Supervisors)

PW 90-20

Public Works recommends that the Board of Supervisors (BOS) award the bid for three (3) small 4x4's to the lowest bidder Tom DeBose Chevrolet, in the amount of \$ 36,778.70.
(1 Building - 1 Planning - 1 Ag. Commissioner)

PW 90-21

Public Works recommends awarding bid for one (1) 1991 3/4 ton 4WD pickup to the lowest bidder, Tom DeBose Chevrolet for \$ 15,891.03, and going out to bid again for the remaining vehicle. Bids went out requesting two (2) 3/4 ton pickups. The bids incorrectly specified they be 4 wheel drive, however, Special Districts had initially requested this item, having a genuine need for this feature due to the winter conditions in Yosemite West. This would be an enhancement to the class of vehicle assigned to the District. (1 Districts & Facilities - 1 Parks & Rec.)

PW 90-22

Public Works recommends that the Board of Supervisors (BOS) award bid for one (1) 1992 5 passenger 4x4, for the Sheriff's Department, to the lowest bidder meeting specifications, Shebulut Chev-Olds, in the amount of \$ 20,152.16. (Sheriff's Department)

PW 90-23

Public Works recommends it advisable to go out to bid again, after September 1, due to the limited number of bids received. Vendors will have received pricing for the new 1992 model year vehicles and will be able to consider tagging on to the State bid. (Sheriff's Department)
