RECOMMENDED ACTION AND JUSTIFICATION:
Authorize expenditure of an additional $6,507 for change orders for the Milburn House project.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
On 1/9/90, the Public Works and Probation Departments came before the Board to discuss improvements to the Milburn House. An additional allocation was requested at that time to make certain necessary improvements which were unanticipated in the original project. The Board requested further information regarding the cost of improvements to the sheetrock. The cost of improvements was determined, and it was also determined that the cost would be considerably higher if the improvements were not made immediately. As the Board was not meeting for two weeks, I authorize the expenditure of additional funds for this modification pursuant to the attached memo. A change order was executed, and the cost figures are attached.
