001-300-4-373  $1,600.00
The Mariposa Sheriff's Department has recently purchased a FAX communicator with funds from the department assets seizure account. All components of this grant are in agreement that with an additional installation of a FAX communication system in the District Attorney's Office, all three participating agencies would enhance their ability to effectively communicate confidential and classified information concerning drug related offenders.

We submit to you our request to fund this communication system out of Line Item, Operating Expenses.

We have been allocated $1,600.00 for communication expenditures. Our desires are to place this specific funding in the category equipment.
