MARIPOSA COUNTY RESOLUTION NUMBER 2017-329

A RESOLUTION RECOGNIZING MIGUEL CAMACHO
FOR HIS OUTSTANDING SERVICE TO THE COUNTY OF MARIPOSA

WHEREAS, MIGUEL CAMACHO began his career with Mariposa County in the Planning Department as a Planner II in June of 1997, where he performed planning tasks including but not limited to the preparation of reports for Lot Line Adjustments and Land Divisions; and

WHEREAS, in March of 2000 MIGUEL’s true calling emerged when he promoted and transferred to the then Data Processing department as a Network Administrator. In addition to his network responsibilities, MIGUEL’s assignments included server deployment, PC installation, and application support. MIGUEL somehow found the time to deploy the now famous Netopia router, which bonded multiple dial up lines to deliver lightning fast 56K access to the internet, one person at a time; and

WHEREAS, MIGUEL’s exceptional skills were recognized and he was reclassified to a Network Administrator II in July of 2006. With training offered, MIGUEL, largely self-taught, would only ask for a book. He quickly grasped IPV4, VLANS, Firewalls, Local Area and Wide Area Network layer 3 switching, and he designed a network that has remained in place for over ten years; and

WHEREAS, MIGUEL always took great pride in carrying out his assigned tasks and responsibilities and provided excellent customer service, although it was widely known he responded more quickly with the offer of chocolate or candy. He was also very proficient at conducting detailed trouble shooting and problem resolution, and was known for being helpful, dedicated, loyal, dependable, self-reliant, trustworthy, and committed to providing a high quality and reliable product; and

WHEREAS, MIGUEL not only maintained accurate, complete and detailed documentation, but was a true Network Administration professional whose work and talent has allowed County employees to enjoy reliable, safe, and robust data communications; and

WHEREAS, MIGUEL has had to adapt to many technology changes throughout his 20 year career with Mariposa County including the replacement of dial up internet access with broadband, a single file server with 24 virtual servers, wired access with wireless, and PC’s replaced with smartphones; and

WHEREAS, MIGUEL’s retirement on June 9th, 2017, will not only leave a significant void in the Technical Services Department, but also in the hearts of his co-workers.

NOW, THEREFORE BE IT RESOLVED by the Mariposa County Board of Supervisors, a political subdivision of the State of California, that MIGUEL CAMACHO is hereby recognized for his dedicated and outstanding service to Mariposa County. As MIGUEL leaves his position with Mariposa County, his friends and colleagues all wish him well in his retirement.

PASSED AND ADOPTED by the Mariposa County Board of Supervisors this 6th day of June, 2017, by unanimous vote.
