MARIPOSA COUNTY RESOLUTION NO. 89-50

RESOLUTION ESTABLISHING POLICY FOR METHOD
AND REQUIREMENTS FOR PERCOLATION TESTING

WHEREAS, the County has identified conflicting policies adopted under authority of Title 13 and 16 of existing County Code relative to methods of percolation testing and when percolation tests are required, and

WHEREAS, the County is in the process of amending Title 16, and

WHEREAS, the County has rescinded certain portions of Title 16 relative to percolation testing.

Be it hereby resolved by the Board of Supervisors of Mariposa County, a political subdivision of the State of California, that the Board of Supervisors ordains as follows:

1. It shall be the policy of the County of Mariposa, pending amendment to Title 16 relative to percolation testing, that percolation tests, when required, shall be required prior to the recordation of the subdivision map, and testing shall not be required before the subdivision process commences.

2. It is further the policy of Mariposa County that when percolation tests are required those tests cannot be waived.

3. The method of percolation testing shall be as adopted by written policy of the Mariposa County Health Officer, as amended from time to time, on both minor and major subdivisions.

4. All of the portions of Mariposa County Board of Supervisors Resolution No. 84-360 which deals with percolation testing is hereby rescinded.

5. This policy shall take effect immediately upon adoption of this Resolution.

6. The Mariposa County Health Officer is hereby directed to establish a written policy relative to the method of percolation testing for both minor and major subdivisions forthwith.
