

MARIPOSA COUNTY RESOLUTION NO. 87- 229

A RESOLUTION AUTHORIZING WAIVING THE BID PROCEDURE FOR PURCHASE OF COMPUTER EQUIPMENT FOR THE AGRICULTURE COMMISSIONER'S OFFICE

WHEREAS, the California State Department of Food and Agriculture has authorized the purchase of computer equipment to aid in the pest detection program; and

WHEREAS, the State Department of Food and Agriculture has approved the use of funds from the current pest detection contract toward this purchase, and has approved the amendment of said contract for additional funds for the purchase of the computer equipment; and

WHEREAS, it is necessary that the purchased equipment be compatible with the current operating system and equipment in the Agricultural Commissioners office and have compatibility with the State program and network.

NOW THEREFORE, BE IT RESOLVED by the Mariposa County Board of Supervisors, a political subdivision of the State of California, that the formal bidding procedure be waived and authorization is hereby given for the purchase of computer equipment as contained in Exhibit A attached hereto.

PASSED AND ADOPTED by the Mariposa County Board of Supervisors this 9th day of June 1987, by the following vote:

AYES: BAGGETT, DALTON, ERICKSON, RADANOVICH, TABER

NOES: NONE

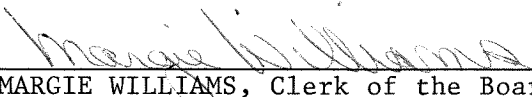

ABSENT: NONE

ABSTAINED: NONE

ATTEST:

LEROY RADANOVICH, Chairman
Mariposa County Board of Supervisors

MARGIE WILLIAMS, Clerk of the Board

APPROVED AS TO FORM AND LEGAL SUFFICIENCY:

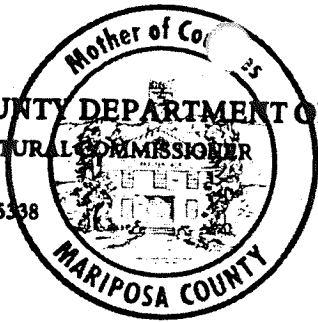

JEFFREY G. GREEN, County Counsel

From: Donald O. Cripe
Agricultural Commissioner
County of Mariposa

Date: 17 March 1987

Subject: Proposed Computer Upgrade Purchases from Detection
Program Savings

The following items are proposed for purchase for Mariposa County from the savings resulting in the pest detection program. These items are necessary to upgrade and safeguard our current system.

1) Power backup system with line conditioner/stabilizer and surge protection--

S-100, Div. 696 Corporation

Tripplite system, backup	BC-1000 FC	\$943.00
Tripplite power conditioner/ stabilizer (10 amp/1200 watt)	LC-1200	144.00
Shipping		40.00
Tax		70.00
		<hr/>
		\$1200.00

Justification--Our office building is subject to lightning strikes, brownouts, and surges due to the utility system in Mariposa County as well as numerous power interruptions which are not conducive to computer operation and can result in program and data losses.

2) RAM-22 Memory Boards--

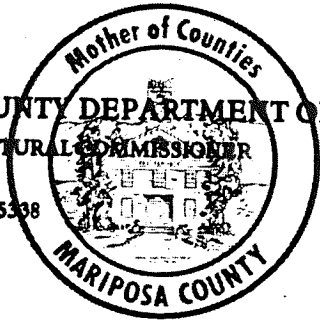

Viasyn Corporation

(2) RAM-22 256k Memory Boards PC FG-RAM 22/256K-96	1790-0198	2 @279.00
Shipping		15.00
Tax		35.00
		<hr/>
Total		\$610.00

MARIPOSA COUNTY DEPARTMENT OF AGRICULTURE

OFFICE OF AGRICULTURAL COMMISSIONER

Post Office Box 905
Mariposa, California 95338

Phone (209) 966-2075

-2-

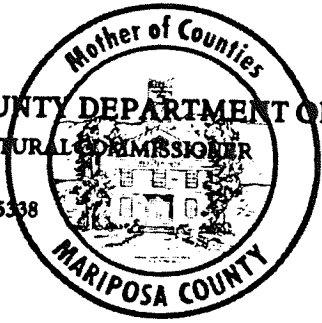

Justification--There is a need to increase the memory of our computer system. At present it is 512K, the 2 memory boards will greatly enhance our system capability and better enable us to deal with any possible detection projects or needs.

3) Zerith PC 20MBHD w/EGA, IBM compatible, MS DOS system--

Z159 Model 13 w/ZVM/380-C EGA Color Monitor		1999.00
Shipping		40.00
Tax		123.00
	Total	<u>\$2165.00</u>
Compupro Network Boards--		
PC-FG Compupro ArcNet PC	1790-0460	240.00
PC-FG/NET 100A/W/COAX-96	1790-7469	240.00
50 ft. co-axial cable @\$24.95		24.95
Software to Network--		
DRJ/DOC/DRNET	8224-0004	40.00
SFW/CPLINK/40 TRACK-DOC-5	2061-0025	50.00
Printer--wide carriage--		
NEC P-765		750.00
50 ft. cable @\$24.95		24.95
Shipping		70.00
Tax		90.00
	Total	<u>1530.00</u>
TOTAL ZENITH PC SYSTEM		<u>\$3695.00</u>

Justification--Purchase of this IBM compatible system which can be networked with our current CPM operating system will upgrade the system to MS DOS and greatly enhances our capability. This will open up many programs and software not currently compatible with our operating system--such as Dataflex, Super Calc 3, and graphics. This software could then be used for mapping, trap finds, graphs and maps in case of infestations, tracking of programs, and various other uses not currently available for use with our current system. We would then have the capability to become a multi-user system when the need arose and would be able to utilize more of the State programs and tie in with the State network by modem.

Recapitulation--

1) Power Back-up System	\$1,200.00
2) RAM-22 Memory Boards	610.00
3) Zenith PC 20MBHD w/EGA, MS DOS system	3,695.00
<u>TOTAL REQUESTED</u>	<u>\$5,505.00</u>

Thank you for your kind attention to this matter. I look forward to working with you and upgrading our current computer system and detection program capabilities.

Sincerely,

Donald O. Cripe
