RE: Approve the Standard Agreement with CDPH Childhood Lead Poisoning Prevention Program

RECOMMENDATION AND JUSTIFICATION:
Approve the California Department of Public Health Childhood Lead Poisoning Prevention Program (CLPPP) Agreement No. 17-10264, for Fiscal Years 2017-2022 in the Amount of $201,915; and Authorize the Health Officer to Sign an Agreement, and Other Documents to Secure Funding as Delineated Within the Agreement, Subject to County Counsel Approval as to Form.

The mission of the CDPH Childhood Lead Poisoning Prevention Branch is to eliminate childhood lead poisoning by identifying and caring for lead-burdened children and preventing environmental exposures to lead.

CDPH reached out to Mariposa County to see if we would be interested in participating in this new state program with funding opportunities for 3 years. The health Department assessed the funding requirements and found that this program could be beneficial to this county. On May 10, 2017, the Health Department submitted the Mariposa County Childhood Lead Poisoning Prevention Program Request for Funding. On July 21, 2017 the Health Department was informed that the Request for Funding was approved.
