Recipient and its contractors will give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining unit or other Agreement. The Recipient must include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.

8. Unenforceable Provision
In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and will not be affected thereby.

9. Excise Tax
The State of California is exempt from Federal excise taxes and no payment will be made for any taxes levied on employees' wages. The CDFA will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. 10. **Right to Terminate**
   This Agreement may be terminated by either party hereto upon written notice delivered to the other party at least thirty (30) calendar days prior to the intended date of termination. 11. **Termination for Cause**
   Either party reserve the right to immediately terminate this Agreement for cause subject to written notice. However each party will have fifteen (15) calendar days after receipt of the termination notice to cure the breach. The Agency Secretary or designee will have thirty (30) calendar days after receipt of the written request to render a written decision. If a written decision is not rendered within thirty (30) calendar days after receipt of the request or the property owner disputes the CDFA’s decision, the property owner may file a claim with the California Department of General Services.

15. **Force Majeure**
   The Recipient shall not be liable for any failure to perform as required by this Agreement, to the extent such failure to perform is caused by any of the following: labor disturbances or disputes of any kind, accidents, failures of any required governmental approval, civil disorders, acts of aggression, acts of God, energy or other conservation measures, failure of utilities, mechanical breakdowns, materials shortages, disease, or similar occurrences.

16. **Amendments**

3. Prompt Payment Clause
   Payment will be made in accordance with, and within the time specified in, California Government Code Title 1, Division 3.6, Part 3, Chapter 4.5, commencing with Section 927 - The California Prompt Payment Act.

4. Allowable Line Item Shifts
   The Recipient must obtain written approval from the CDFA Agreement Manager for any line-item shifts.

   A. The Recipient must maintain adequate documentation for expenditures subject to this Agreement to permit the determination of the allowability of expenditures reimbursed by the CDFA under this Agreement. REGISTRATION FEES

All new, amended, and renewal organic registration applications will be approved by CDFA. For each operation the county assists with submitting a new, amended, or renewal organic registration to CDFA, the County will receive $60.00.

SPOT INSPECTION PROGRAM

The County will be paid $210.00 for each spot inspection completed for producers, restaurants, handlers, processors, and retail stores. Farmers’ Market inspections will be paid at the rate of $70.00 for the initial visit and first organic participant inspected, and an additional $10.00 will be paid for each additional organic participant inspected at that market. Farmers’ Market inspections include certified and non-certified Farmers’ Markets, and “swap meets.”

SUPPLEMENTAL SPOT INSPECTION PROGRAM

When the need arises, supplemental inspections will be approved by California Department of Food and Agriculture (CDFA) staff at the above spot inspection rates.

SURVEILLANCE RESIDUE (RANDOM) SAMPLING PROGRAM

Surveillance Residue samples, are randomly collected residue samples that are not part of an investigation. The County should collect these residue samples as part of its organic surveillance program/plan, to help ensure products do not contain unallowable substances. The County will be paid flat rate of $120.00 for each Surveillance Residue sample collected.

Additional Surveillance Residue sample collections may be approved by CDFA staff as needed. The County must contact CDFA and receive authorization prior to collecting any additional samples. The County will not be reimbursed for any unauthorized samples collected. Exception: In the event that collecting a residue sample is critical, and CDFA staff is not available for approval (weekends/holidays and outside normal business hours), the county may collect the sample without prior approval. However, the county is still required to notify CDFA staff via voicemail or email. Additionally, CDFA staff may also request the County to collect additional samples. Any additional Surveillance Residue sample collections will be paid at the $120.00 flat rate.

Please refer to the Fiscal Display for additional inspection, sampling, and reimbursement details.
COMPLAINT INVESTIGATIONS

The County will be reimbursed for each approved complaint investigation and residue sample(s), collected as part of an investigation. Complaint investigations and expenses incurred for residue samples collected as part of an investigation will be reimbursed at actual cost. Time spent preparing documents may be included as part of the investigation costs.

TRAINING

County Organic Program staff are required to go on the National Organic Program website https://www.ams.usda.gov/services/organic-certification/training and review the Path to Sound and Sensible Organic Inspections training under Interactive Training for Organic Inspectors and Certifiers https://access.willinteractive.com/the-path/the-path.

The County may use up to 50 percent of its Estimated Investigation Costs, as listed in the county’s Fiscal Display, for approved organic program training. This may include organic program training that county staff provide to outside agencies. Training expenses without prior authorization by CDFA will not be reimbursed.

In order to receive payment/reimbursement for complaint investigations and associated residue samples, and training expenses, County complaint investigation and training expenses must be itemized on each invoice and include hours, rate, and miles. Additionally, any expenses for residue samples collected as part of an investigation must include the name of the operation where the sample was collected and the number of samples.

DISBURSEMENT OF FUNDS

Pursuant to Chapter 10 of Division 17 (commencing with section 46000) of the California Food and Agricultural Code, CDFA will disburse funds to the County for costs incurred in the enforcement of the California Organic Foods Act.

The County will receive payments as appropriate for the following functions:

- Assisting with new, amended, and renewal registrations
- Spot inspections
- Soil and tissue residue sampling
- Complaint investigations
- Approved training

Disbursements will be made in two block payments: 1) For work completed from July 1 to December 31, 2017; and 2) for work completed from January 1 to June 30, 2018.

The County should monitor its expenditures and contact CDFA immediately if it is at risk of exceeding the total Cooperative Agreement amount.
NOTE: CDFA cannot pay/reimburse the County for organic function activities without a signed (executed) Cooperative Agreement. The County should sign and return the Cooperative Agreement, in order to ensure payments for Organic Program function activities.

Administrative civil penalties imposed by the County for violations of the California Organic Food and Farming Act shall conform to Administrative Civil Penalty Guidelines set forth in the California Code of Regulations and remain in the County imposing the penalty.
