RESOLUTION - ACTION REQUESTED 2017-495

MEETING: July 25, 2017

TO: The Board of Supervisors

FROM: Gavin Iacono, Deputy Ag Commissioner

RE: Approve the FY 2017-2018 Weighmaster Enforcement (Junk Dealers and Recyclers) Agreement

RECOMMENDATION AND JUSTIFICATION:
Approve the Weighmaster Enforcement (Junk Dealers and Recyclers) Agreement Number 17-0298-000-SA for Fiscal Year 2017-18 with the California Department of Food and Agriculture (CDFA) for work performed in conducting initial inspections at junk dealers and recycler locations in the County, and Authorize the Board of Supervisors Chair to Sign the Agreement.

Senate Bill 485 - Weighmaster: Junk Dealers and Recyclers effective January 1, 2014, requires junk dealers and recyclers to provide additional information to the Division of Measurement Standards (DMS) when applying for or renewing a weighmaster license. Each location must be inspected to ensure that the information on the application is materially accurate. The legislation is intended to deter fraudulent transactions at junk dealers and recyclers and decrease the sale of stolen metal property. The Weighmaster Enforcement Agreement is for work performed in conducting initial inspections at junk dealer and recycler locations in the County.

The total available amount in Fiscal Year 2017/2018 for this agreement is $240.00.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Weighmaster Enforcement (Junk Dealers and Recyclers) agreement for FY 2016/2017 was approved by Resolution No. 2016-140.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Do not approve the agreement. This will prevent the subvention of any weighmaster funds to Mariposa County for work performed in this enforcement program.

FINANCIAL IMPACT:
The $240.00 State subvention for this Cooperative Agreement with CDFA is included in the Agricultural Commissioner/Sealer of Weights and Measures Requested Budget for Fiscal Year 2017-2018.

Either party reserve the right to immediately terminate this Agreement for cause subject to written notice. However each party will have fifteen (15) calendar days after receipt of the termination notice to cure the breach. SCOPE OF WORK

In the best interest of the state, under the authority of the Secretary of the Department of Food and Agriculture (CDFA), and in accordance with the California Business and Professions Code (BPC), Division 5, Chapter 7, Section 12703.1, the Division of Measurement Standards (Division) and the County agree to the conditions and requirements within this Scope of Work.

The Division will pay the County $240.00 for each completed initial inspection of an assigned junk dealer or recycler establishment licensed as a weighmaster to determine compliance with BPC Section 12703.1. For purposes of this Agreement, a “junk dealer” and “recycler” are as defined in BPC Sections 21601 and 21605(b). An initial inspection is the first physical inspection in the fiscal year of a business location after renewal or issuance of a weighmaster license. The total allocation to the County for these inspections shall not exceed the Agreement.

The County shall obtain all required information regarding a newly licensed junk dealer or recycler weighmaster via the county “undisclosed” link. The County shall have 75 calendar days after issuance of a license to either conduct an initial inspection at each assigned junk dealer or recycler weighmaster location or notify the Division in writing that they will be unable to perform the inspection. Failure to perform an initial inspection within 75 calendar days shall result in nonpayment.

Per BPC Section 12703.1. (c) (1), the County shall complete an initial inspection of the information contained in the Weighmaster License Application. Findings shall be recorded on the Weighmaster Inspection Report (Form 42-009, Rev. 11/14) supplied by the Division.

The initial inspection shall verify that the following items are materially accurate:

- Weighmaster License Application information
  - Business License information
  - The weighmaster location or business has a Storm Water Permit issued by the State Water Resources Board, or has applied for a Storm Water Permit, or substantiation the permit is not required
  - Thumbprint equipment is functioning and in good working order
  - Photograph/camera equipment is functioning and in good working order
  - Verification that the weighmaster has signed up to receive theft alert notifications
  - Verification of the name or names of any deputy weighmasters
- Weighmaster License information
• All commercial weighing devices are sealed

The County may observe other violations while performing an initial inspection. Per BPC Section 12015, the County agrees to document and take the appropriate enforcement action upon discovery of any violation of weights and measures laws during this inspection.

Within five (5) calendar days of conducting an initial inspection, the County shall upload an electronic copy of the completed Weighmaster Inspection Report and a photograph of the site showing how and where the weighmaster conducts their business activities via the Division’s county “undisclosed” link. For business locations failing an initial inspection, the County shall also upload all supporting evidence; i.e., copies of county report forms, emails, and photographs demonstrating license information submitted was not materially accurate. Electronic copies should be in pdf, jpg, or png format.

**Note:** The Weighmaster Inspection Report must be scanned or photographed separately from any supporting documents; however, all supporting documents and photographs may be combined into one file. Uploading the Weighmaster Inspection Report and any supporting documents completes the initial inspection and entitles the County to payment.

When a location is found to be out of business, the County shall complete and upload a Weighmaster Inspection Report indicating the location is no longer in business and notify the Division in accordance with the instructions above. Locations that are out of business are not billable.

The original Weighmaster Inspection Report shall be maintained at the County Office of Weights and Measures for three (3) years and be made available to the Division upon request.

All requests for payment under this Agreement shall be made on the County’s official letterhead. The invoice shall be submitted quarterly and include a summary sheet with the following information: the number of inspections completed; a list of locations where the inspections were conducted; the weighmaster license name; the weighmaster license number; and, the amount of money requested. The County shall upload the completed invoice including the required summary sheet in pdf format via the county “undisclosed” link. Funds will be disbursed to the County on approval of the invoice submitted quarterly.
