RESOLUTION - ACTION REQUESTED 2017-746

MEETING: November 7, 2017
TO: The Board of Supervisors
FROM: Steve Dahlem, County Counsel - Interim Human Resources Director
RE: Approve a Side Letter of Agreement with MCMCO

RECOMMENDATION AND JUSTIFICATION:
Approve a Side Letter of Agreement with the Mariposa County Managerial and Confidential Organization (MCMCO) regarding new employee orientation access and disclosure of employee contact information; and Authorize the Board of Supervisors Chair to Sign the Side Letter.

On June 27, 2017, Governor Brown signed AB 119 into law which provides recognized public employee unions or employee associations the right to participate in new employee orientations. The law compels the County to negotiate the structure, time, and manner of that participation. AB 119 further requires the County to provide the union certain information of any newly hired employee within a particular time frame and also provide to the union certain information for all employees in a bargaining unit at least every 120 days.

The County and MCMCO met and discussed both issues and came to an agreement to determine 1) at what point in the new employee orientation the union could participate; and 2) the employee information that the County would release to the union within particular time frames. The Side Letter of Agreement, which is attached, represents the agreement between the parties as follows: 1) the union will participate in new employee orientations 15 minutes before the end of each orientation if there are employees present who are in a MCMCO designated classification; and 2) employee information that will be released to the union will consist of the name; job title; department; work location; work, home, and personal cell phone numbers; personal email address for new hires only; and home address. The County and the union agreed that employees may opt out of having their home phone number and personal email address provided to the union.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
There is no previous Board action on this matter. The Board has entered into Side Letters of Agreement with MCMCO in the past on other issues.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
N/A. This action ratifies the agreement between the County and MCMCO.

MARIPosa COUNTY AND MARIPosa COUNTY MANAGERIAL AND CONFIDENTIAL ORGANIZATION

SIDE LETTER AGREEMENT REGARDING NEW EMPLOYEE ORIENTATION ACCESS
AND DISCLOSURE OF EMPLOYEE CONTACT INFORMATION

Mariposa County and the Mariposa County Managerial and Confidential Organization ("MCMCO") (hereinafter "Union"), jointly referred to as "Parties," enter into this Agreement to implement the terms of Government Code sections 3555-3559. The Parties agree that the terms of this Agreement are incorporated into the existing Memorandum of Understanding (MOU) between them by specific reference.

The Parties acknowledge that this Agreement, once implemented by both Parties, fully complies with and exhausts the Parties’ obligation to negotiate pursuant to Government Code Section 3557. Due to such agreement, compulsory arbitration pursuant to Government Code Section 3557 is waived for so long as this Agreement is in effect.

New Employee Orientation
This shall apply to all new employees hired after the date of this Agreement who are appointed to a classification within the MCMCO bargaining unit. The Parties acknowledge that the County provides a new employee orientation meeting ("orientation") to all new employees hired by the County but does not distinguish between bargaining units in conducting the orientation. An outline of the orientation meeting is attached to this Side Letter as Attachment A.

The Union will be provided not less than ten (10) calendar days’ advance notice of the time, date and location of the orientation, including the number of bargaining unit employees in attendance. The notice requirement shall apply to both County-wide and department level new hire orientations. An exception to the ten (10) calendar days’ advance notice requirement is if there is an urgent need for meeting in less than ten (10) calendar days’ that is critical to the County’s operations and is not reasonably foreseeable.

The Union will be given fifteen (15) minutes at the end but also part of the new employee orientation meeting to present Union membership information to employees in the Union’s bargaining unit. No more than two (2) representatives of the Union may present the
information to the employees. This could include a Chapter board member, officer, or steward and a Union representative designated by the Union.

The purpose of the meeting will be to discuss the rights and obligations created by the governing MOU, the role of representation, and to answer any questions. Management representatives shall excuse themselves and not be present during the Union portion of the orientation.

An employee’s attendance at the new employee orientation including the portion of the orientation conducted by the Union is mandatory. An employee who is unable to attend the new employee orientation in person may request to attend and be approved to participate in another new employee orientation offered by the County that is close in time to the original orientation. Attendance includes the Union portion of the orientation.

Union representatives who are County employees and are conducting the orientation during their regular work hours will be granted release time to attend and travel to and from the orientation, provided the Union provides County HR with the employee’s name at least five (5) calendar days prior to the orientation. Employees shall be released for this purpose unless unusual operational needs interfere with the release, in which case the employee and the Union will be provided with a written explanation of why the employee could not be released.

Information Provided

The County will provide the Union with a digital file via email to the email address designated by the Union containing the following information to the extent the County has the information on file:

- Name
- Job title
- Department
- Work location
- Work, home, and personal cellular telephone numbers
- Personal email addresses on file with the County (new hires only)
- Home address
The Union acknowledges and understands that the County is working diligently and in good faith to update its contact information database functionality to incorporate all the fields of contact information listed above. As a result, the County may not initially be able to provide all of the information in the fields listed above in the initial digital files provided pursuant to this Side Letter but intends to do so in subsequent digital files provided to the Union and will notify the Union on the status of this database update.

Such information will be provided as follows:

- For new hires, at the end of each month.
- Regularly, for all bargaining unit employees on each calendar year quarter.

Notwithstanding the foregoing, limited to the express purpose of the requirements of Government Code Section 3558 only, an employee may opt out via written request to the County (copy to the Union) to direct the County to withhold disclosure of the employee’s:

- Home telephone number
- Personal email address

Either party may grieve a violation of this article to the extent permitted by the terms of the MOU Grievance Policy.
