RE: Declare the Path to Wellness Health Resource Fair as a County Sponsored Event

RECOMMENDATION AND JUSTIFICATION:
Declare the Path to Wellness Health Resource Fair on April 14, 2018, from 10 AM to 2 PM as a County Sponsored Event.

The event will be held on the Courthouse lawn. By designating the Path to Wellness Health Resource Fair as a County-sponsored event, the County accepts responsibility for activities during the Path to Wellness Health Resource Fair event, with the event to be covered by the County’s liability insurance. Although there is no additional cost if there is a substantial claim it is possible that the County’s insurance premium will be increased.

The Path to Wellness Health Resource Fair is a collaborative effort of the Mariposa County Health & Wellness Coalition, a group of non-profits, individuals, businesses, and County organizations with a mission to improve health and wellness for all Mariposa County residents. The Coalition is facilitated by the Mariposa County Tobacco Education Program.

The goal of the Path to Wellness Health Resource Fair is to bring awareness of the diverse health and wellness related services available in Mariposa County. The event, which is free to the public, will include activities, informational booths, presentations, and demonstrations to promote healthy eating, low or no-cost physical activity, breast health, tobacco prevention, child and adult oral health, healthy environments, nature-wellness connections, and substance abuse recovery services.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Board has approved similar actions in the past. This particular event is a new County event.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Do not approve the Path to Wellness Health Resource Fair as a County-sponsored event. The Health Department staff and members of the Mariposa County Health & Wellness Coalition partnering agencies will need to identify an insurance carrier and possibly pay for the insurance with personal funds. The Mariposa County Health & Wellness Coalition could also decide not to hold the Path to Wellness Health Resource
