A RESOLUTION APPROVING AGRICULTURAL PRESERVE CANCELLATION NO. 83-1 AND AMENDING THE MARIPOSA COUNTY AGRICULTURAL PRESERVE MAP

The Board of Supervisors of the County of Mariposa, State of California, hereby resolves as follows:

WHEREAS, this Board has identified areas appropriate for Agricultural Preserves necessary for the implementation of the California Land Conservation Act of 1965; and

WHEREAS, at the request of the property owner, this Board has approved a Tentative Cancellation of a Land Conservation Contract established in accordance with the Land Conservation Act of 1965; and

WHEREAS, the owner of the property subject to the tentative Williamson Act Cancellation has petitioned the County to remove the property from the Agricultural Preserve; and

WHEREAS, the Agricultural Exclusive Committee and Planning Commission have recommended approval of the Agricultural Preserve Cancellation; and

WHEREAS, this Board has reviewed the Agricultural Preserve Cancellation and determined that it will not have a significant effect on the environment.

NOW THEREFORE BE IT RESOLVED, that the Mariposa County Board of Supervisors does hereby adopt the "Mariposa County Agricultural Preserve Map" amendment, attached hereto as Exhibit A which shows those established Agricultural Preserves in the County as amended. This map shall be filed with the Mariposa County Recorder and kept on a current basis.

BE IT FURTHER RESOLVED, that the approval of Agricultural Preserve Cancellation Application No. 83-1 is based upon the following findings:

1. Based upon evidence submitted regarding range types, soil composition and usefulness of range improvement on the property, it is determined that the property is of questionable quality for commercial agricultur-
al Exclusive Uses.

2. Based upon finding No. 1, above, it is determined that the site is of marginal quality for exclusive agricultural uses and it is in the general public interest to allow for other uses, within the framework of the County General Plan, on the property.
