1½" Washed Leach Rock from January 8, 1985 to December 31, 1985.

Material must be stockpiled by end dump or transfers.

Deliveries must be made within 36 hours of receiving order.

Mariposa County Board of Supervisors reserves the right to reject any or all bids, or to accept the bid that best serves the public purpose, even though it may not be the lowest.

Enclosed are two (2) bid forms marked "BID FORM A" and "BID FORM B". The bidder is to use either FORM A or FORM B, but not both, nor a combination of both. If BID FORM B is used, bidder expressly warrants that the applicable sales tax on the material and haul is contained in the net price per ton, as bid. Bidder must use one of the attached bid forms and the bid form is to be filled out in its entirety, NO EXCEPTIONS. Failure to comply will result in rejection of the bid.

NOTICE: The County of Mariposa has been advised by the California State Board of Equalization that bids which do not have an itemization for material, including sales tax per ton, and a separate itemization for haul per ton will be required to pay sales tax on the material plus the haul. Therefore, if bidder desires to use BID FORM B, sales tax will have to be paid to the State of California on the material plus the haul.

The outside of the envelope must be marked "SEALED BID #85-2".
