RESOLUTION - ACTION REQUESTED 2018-246

MEETING:  June 12, 2018

TO:  The Board of Supervisors

FROM:  Terri Peresan, Community Services Director

RE:  Approve the Area 12 Agency on Aging Agreement for Sr. Nutrition and Transportation FY 2018-19

RECOMMENDATION AND JUSTIFICATION:
Approve the Area 12 Agency on Aging (A12AA) Agreement for Senior Meals and Transportation Programs for Fiscal Year 2018-19; Authorize the Board of Supervisors’ Chair to sign the Agreement and Designate the Community Services Director as the Designee. Senior programs are as follows:

- Title III C-1 Congregate Meals;
- Title III C-2 Home Delivery Meals; and
- Title III B-Transportation

Attached are two original Agreements with A12AA for the above stated programs along with all required Exhibits, A through H; Board Chair and County Counsel signatures are required.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
Mariposa County Department of Community Services, in collaboration with A12AA, has been providing the above stated programs to seniors in Mariposa County historically since 1991. On March 13, 2018, the Board of Supervisors approved the submittal of the Department of Community Services’ Program Proposals in Response to the A12AA Request for Proposal (RFP) 2018-2022, Res. 2018-100. After the completion of the bidding process, on May 3, 2018 the A12AA governing board approved submitted proposals and awarded the four (4) year Service Agreement for Mariposa County to the Mariposa County. After contract negotiations, this Agreement before the Board today is the first year of the awarded Service Agreement for Mariposa County 2018-2022.

Historically, the Board has approved and authorized the Board Chair to sign the agreements and designate the Community Services Director as the designee for the above senior programs.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
The consequences of a negative action would be that Mariposa County Department of Community Services would not receive the funding from A12AA to offset the costs of the above listed senior programs. There would be a significant loss of funding for those programs totaling $84,312.00 for the 2018-2019 fiscal year with an additional loss of a funding stream for the next three (3) fiscal years.

FINANCIAL IMPACT:
Resolution - Action Requested 2018-246

Funding for Sr. Nutrition and Transportation programs totaling $84,312.00 for the 2018-2019 fiscal year are included in the requested budget.

1. **Equal Access to Federally-Funded Benefits, Programs and Activities (Title VI of the Civil Rights Act of 1964)**

5. Contractor agrees to include these requirements in all contracts it enters into with subcontractors to provide services pursuant to this Agreement.

D. **Standards of Work**

Contractor agrees that the performance of work and services pursuant to the requirements of this Agreement shall conform to accepted professional standards.

E. **Professional Standards of Conduct**
Contractor is responsible for ensuring the public trust by avoiding any situation that creates a real or perceived misrepresentation. Generally, misrepresentation occurs when a personal interest may intertwine with a professional interest. This may specifically occur when an employee or volunteer enters the online world.

A12AA encourages Contractor, in the performance of the services agreed to be performed, to adhere to professional standards of conduct. As the internet and electronic communications play an ever increasing role in our work and personal lives, Contractor must always be mindful of its responsibilities as provider of direct public services. If an employee uses social media and includes his or her affiliation or title or comments on matters related to their organization or A12AA, the line between public and private, personal and professional can be blurred.

Assume everything you, your staff or volunteers write online becomes public. Information from your Facebook page, blog entries, tweets and other social media outlets, can be easily circulated beyond your intended audience. This content, therefore represents you and your organization to the general public. As a result, when using social media, staff/volunteers should use caution and exhibit sound judgment.

Before using social media or information shared online to communicate about matters affecting Contractor or A12AA, A12AA encourages Contractor to review the information. Be sure the information is ethical, does not represent political activity, does not discriminate or harass, does not disclose non-public information, does not make false or misleading statements, and does not make disparaging comments about other likeminded organizations.

These same standards of conduct should be demonstrated while staff or volunteers are representing Contractor in a public venue.

F. Conflict of Interest

1. Contractor shall prevent its employees or consultants from using their positions for purposes including, but not limited to, the selection of subcontractors that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as family, business, or other ties. In the event that the State or A12AA determines that a conflict of interest exists, any increase in costs associated with the conflict of interest may be disallowed by the State or A12AA and such conflict may constitute grounds for termination of this Agreement.

2. This provision shall not be construed to prohibit employment of persons with whom Contractor’s officers, agents, or employees have family, business, or other ties, so long as the employment of such persons does not result in a conflict of interest (real or apparent) or increased costs over those associated with the employment of any other equally qualified applicant, and such persons have successfully competed for employment with the other applicants on a merit basis.
G. **Covenant Against Contingent Fees**

1. Contractor warrants that no person or selling agency has been employed or retained to solicit this Agreement. There has been no agreement to make commission payments in order to obtain this Agreement.

2. For breach or violation of this warranty, A12AA shall have the right to terminate this Agreement without liability or at its discretion to deduct from this Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingency fee.

H. **Payroll Taxes and Deductions**

Contractor shall promptly forward payroll taxes, insurances, and contributions, including State Disability Insurance, Unemployment Insurance, Old Age Survivors Disability Insurance, and Federal and State income taxes withheld, to designated governmental agencies.

I. **Facility Construction or Repair** (This section only applies to Title III.)

1. When applicable for purposes of construction or repair of facilities, Contractor shall comply with the provisions contained in the following acts and shall include such provisions in any applicable agreements with subcontractors:

   b. Davis-Bacon Act (40 USC 276a to 276a-7) (29 CFR, Part 5).

   c. Contract Work Hours and Safety Standards Act (40 USC 3701 et seq.) (29 CFR, Part 5, 6, 7, 8).

2. Contractor shall not use payments for construction, renovation, alteration, improvement, or repair of privately-owned property which would enhance the owner’s value of such property to the benefit of the owner except where permitted by law and by A12AA and CDA.

3. When funding is provided for construction and non-construction activities, Contractor must obtain prior written approval from A12AA before making any fund or budget transfers between construction and non-construction.
J. **Contracts in Excess of $100,000**

If all funding provided herein exceeds $100,000, Contractor shall comply with all applicable orders or requirements issued under the following laws:

1. Clean Air Act, as amended [42 USC 7401]

2. Federal Water Pollution Control Act, as amended [33 USC 1251 et seq.]

M. To exercise the above right, no later than 120 days after termination of this Agreement or notification of Contractor’s dissolution, A12AA will issue specific written disposition instructions to Contractor.
N. Contractor shall use the property for the purpose for which it was intended under Agreement. When no longer needed for that use, Contractor with written approval of A12AA may use the property for other purposes in this order:

1. Another A12AA program providing the same or similar service; or
2. State or Federally-funded program.

O. Contractor may share use of the property and equipment or allow use by other programs upon written approval of A12AA. As a condition of the approval, A12AA may require reimbursement under this Agreement for its use.

MONITORING PERFORMANCE STANDARDS

A. PURPOSES

1. To identify the service level that constitutes an acceptable performance

2. To determine at what point a service provider is under performing and requires corrective action or adjustments in scope of services (SOS) and/or contract amount.

3. To determine at what point a service provider’s performance is out of compliance with terms of the contract.

B. STANDARDS

1. Performance goal is 100% of contracted SOS

2. A performance level of less than 5% or more than 5% as compared to the Standard Percentage at any point in time, will mean service provider is under/over performing and SOS and/or contract amount may be revised.

3. A performance level of less than 85% will mean service provider has not met terms of the contract. SOS and/or contract amount will be revised, or termination procedures will be implemented.

4. Performance level achieved by service provider will be one of the factors to be considered in the evaluation of application for future funding.

C. GENERAL GUIDELINES

1. Service provider is responsible for meeting all terms of the contract including provisions of the SOS.

2. Service provider is to maintain a cumulative performance level of 95% or more of units of service in SOS in order to be considered for continued funding at the full allocation.

3. Performance levels for Title III programs are calculated by comparing actual units to an annual SOS. The normal calculation is as follows:

<table>
<thead>
<tr>
<th>Actual Units of Service</th>
<th>Number of Days Y-T-D</th>
</tr>
</thead>
<tbody>
<tr>
<td>Scope of Service Units</td>
<td>365 Days</td>
</tr>
</tbody>
</table>

4. If cumulative year-to-date performance level at the end of a quarter falls (below) or over above 5% of the year-to-date contracted units of service, service provider shall submit a Contract Performance Report (A12AA Form Performance Standards-Exhibit G).
