Subject: Park Restoration & Urban Reforestation Program (Federal Jobs Bill)

Ladies & Gentlemen:

As you can determine by the enclosed letter, Mariposa County has received a $26,000 Grant through the Jobs Bill for Woodland Park.

I need a Resolution from the Board of Supervisors naming me as Project Officer, and authorizing me to sign all necessary agreements and Certifications for continued maintenance of the Grant Site in behalf of the County. The Program is officially named 'The Park Restoration and Urban Reforestation Program'.

It was a moral boost to have obtained these funds under the short notice and with the heavy competition from the large agencies throughout the State. It was especially gratifying to have our requested amount boosted from $20,000 to $26,000.

Sincerely,

Director of Parks & Facilities
