Revised Dec. 2002
A RESOLUTION REAFFIRMING THE APPROVAL OF LAFCO ANNEXATION NO. 2009-141 AND THE ADOPTION OF A NEGATIVE DECLARATION FOR THE ANNEXATION OF TERRITORY TO THE MARIPOSA PUBLIC UTILITY DISTRICT, WITH FINDINGS, DETERMINATIONS, AND CONDITIONS

WHEREAS, pursuant to the provisions of the Local Government Reorganization Act of 2000, commencing with Section 56000 (et seq.), Title 6, of the Government Code, an application for annexation of property into the Mariposa Public Utility District was received by the LAFCo Executive Officer; and

WHEREAS, Mariposa Public Utility District Resolution 2004-1529, a Resolution of Application, was filed with the Executive Officer of this Local Agency Formation Commission in accordance with State law; and

WHEREAS, The Executive Officer reviewed the available information and prepared a report, including recommendations, and the report and related information was presented to and considered by the Commission on December 8, 2009; and

WHEREAS, the Executive Office conducted an Initial Study on the proposed annexation per the requirements of the California Environmental Quality Act; said analysis concluded that the proposal would have no significant environmental effects on the environment. A Notice of Completion and Initial Study, pursuant to the California Environmental Quality Act (CEQA), was distributed to the State Clearinghouse and appropriate agencies for the purpose of obtaining written comments from these agencies on the adoption of a Negative Declaration for LAFCo Annexation No. 2009-141; and

WHEREAS, the Local Agency Formation Commission held a duly noticed and properly advertised public hearing on December 8, 2009 to solicit and evaluate public testimony regarding the annexation; and

WHEREAS, at the December 8, 2009 Public Hearing, the Commission heard and received all oral and written comments, all plans and proposed changes in reorganization, objections and evidence which were made, presented, or filed, received evidence as to whether the territory is inhabited or uninhabited, improved or unimproved, and all present were given an opportunity to hear and be heard; and

WHEREAS, at the December 8, 2009 Public Hearing, there was no person present who made any comments, objections or evidence presented with respect to the proposed annexation; and

WHEREAS, at the December 8, 2009 Public Hearing, the Commission approved Annexation No 2009-141 and adopted a Negative Declaration in accordance with the California Environmental Quality Act; and
WHEREAS, on December 14, 2009 a Notice of Determination for the Negative Declaration was filed and recorded with the Mariposa County Clerk; and

WHEREAS, the required discussion and resolution between Mariposa County and the Mariposa Public Utility District regarding the tax increment and tax assessments for the territory to be annexed took in excess of one-year to be resolved; and

WHEREAS, in accordance with the provisions of Government Code Sections 56662. (a) 56663. (a), notices and hearing are not required by the Commission for LAFCo Annexation Application 2009-141 as it consists solely of an annexation wherein all of the property owners of the affected territory have provided consent to the annexation; and

WHEREAS, in accordance with the provisions of Government Code Section 57002 notices and hearing for the Conducting Authority can be waived by the Commission for LAFCo Annexation Application 2009-141 as it consists solely of an annexation wherein all of the property owners of the affected territory have provided consent to the annexation; and

WHEREAS, the County of Mariposa and the First Baptist Church of Mariposa are the two property owners of the territory to be annexed, thereby constituting 100% of the property owners of said territory; and

WHEREAS, Mariposa County, as a condition of the purchase agreement between the County and the First Baptist Church of Mariposa, entered into an agreement with Mariposa Public Utility District to prepare and process the annexation on behalf of the two property owners; and

WHEREAS, there have been no changes to the circumstances pertaining to the Executive Officer’s findings and determination as contained in the Executive Officer’s Report, that was considered and acted on by the Local Agency Formation Commission on December 8, 2009.

NOW THEREFORE BE IT RESOLVED, that the Mariposa County Local Agency Formation Commission does hereby reaffirm the approval of LAFCo Annexation No. 2009-141, and does hereby find, determine, resolve and order as follows:
