RE: Ordinance Amendment RE Sanitation Inspection Fee Charges and Approval of Amended Rules and Regulations, Mariposa County Health Department

Gentlemen:

Enclosed please find the following documents:

1. Copy of proposed amendment to Ordinance No. 319 adding Section 13 which would require a sanitation inspection fee of $30. This proposed ordinance amendment is in keeping with instructions of the Board at its last meeting.

The proposed revision to the Rules and Regulations of the Mariposa County Health Department is in keeping with the recommendations of the County Sanitarian on percolation tests dated May 6, 1977. The enabling Ordinance No. 319 under Section 8 authorizes the Health Officer to adopt, revise, or otherwise provide rules and regulations in respect to private sewage disposal systems in the County. It is appropriate for the Board to adopt the enclosed Rules and Regulations of the Mariposa County Health Department by resolution.

As a final document in this package I enclose herewith the proposed resolution in respect to the adoption of the Rules and Regulations.

Very truly yours,

NEIL B. VAN WINKLE  
County Counsel
