PROJECT NARRATIVE

PROJECT MANAGEMENT INFORMATION

I. Organization and Staff of Project:

We will hire twelve (12) conservationists between the ages of 18 to 21 to work under the joint supervision of California Division of Forestry and the Employment and Training Office. CDF will supply a bus for transportation from the station to the work site and they will provide necessary tools and safety gear. CDF is not a subcontractor. These conservationists will work clearing brush along the highways and making firebreaks. This will provide valuable work experience to help prepare them to go into an unsubsidized job. In addition, we will send out four (4) maintenance men to keep the tools and gear in order and to help work around the warehouse and fire-camps and learn some skills.

We will place two (2) life-guard trainees at the Parks and Recreation Department so that they might acquire skills in first-aid and help instruct teaching and handling the general public.

We will assign two (2) cashier-clerks to Parks and Recreation Department to work in the concession stands and they will acquire knowledge in merchandising and in handling money.

We will have one (1) custodian at the Building and Grounds Department and one (1) at the Fairgrounds. They will acquire skills in maintaining the facilities, yard work, and maintenance of the buildings.

A clerk-typist will be assigned to each of the following departments where they will acquire additional skills in office work such as typing and filing: Tax Assessors, County Clerk, District Attorney, and School Department.

A playground supervisor will be assigned to the Parks and Recreation Department where he will gain experience in maintenance of the baseball field and will have some knowledge of working with the younger little Leaguers.

All of the above positions will be filled by Work Experience participants.

2. Project Management:

The payroll and monthly reports are handled by the office of the Project Administrator. The money as it is received from the State is deposited in an account with the Auditor and the payroll is submitted to the Auditor and they draw the warrants and we see that they get to the participants.
I. The Mariposa County Employment and Training Office address is: P. O. Box 278, Mariposa, California 95338 and phone number is (209) 966-3613. John L. Rotondo is the Project Administrator.

The Project Administrator handles the monitoring and counseling and the interviewing of applicants. The participants eligibility is determined by the application and financial affidavit. Special attention is given to the significant segments.

Upon entering the program, each participant is instructed to bring any grievance to the Project Administrator and the situation will be handled accordingly. All participants are given a copy of "The Comprehensive Employment and Training Act of 1973: Your Civil Rights." They are advised of the pay procedure. A cover sheet is included in each file with each item covered in the interview dated.

We do not have any industry. The biggest employer is Yosemite National Park, followed by the County of Mariposa and the State and Federal Forest Service.

The significant segments we serve are: (1) Economically Disadvantaged, (2) Public Assistance Recipients, (3) American Indian, and (4) Spanish American.

WORK EXPERIENCE

I. All of the participants will work in County Departments and will be placed according to their job goals. This will provide them with on-the-job training to go with their education to help give them a background to go into an unsubsidized job.

Each participant will be paid the minimum wage of $2.30 an hour, and they will be able to work at least 55 days but not more than 88 days on the program.

Here is a chart describing the estimated number of participants by sex and age groups:

4. No funds will be used to hire any person to fill a job opening created by the action of an employer in laying off or terminating the employment of any other regular employee not supported under the Act in anticipation of filling the vacancy so created by hiring an employee to be supported under the Act (section 205(c)(8)).

11. Jobs will be allocated equitably to local governments and agencies taking into account the number of unemployed persons within their jurisdictions and the needs of the agencies (section 205(c)(23)).

12. The jobs in each job category in no way infringe upon the promotional opportunities which would otherwise be available to persons currently employed in public service jobs not subsidized under the Act, and assure that no job will be filled in other than an entry level position in each job category until applicable personnel procedures and collective bargaining agreements have been complied with (section 205(c)(24)).

D. Additional Assurances for Title II Programs. All assurances in C above apply to activities funded under Title addition, the applicant will assure that: (1) Only persons residing within the areas of substantial unemployment qualifying for assistance will be hired to fill jobs created under Title II of the Act and the public services provided by such jobs shall, to the extent feasible, be designed to benefit the residents of such areas (section 205(c)(3)).

(2) All persons employed under any program, other than necessary technical, supervisory, and administrative personnel, will be selected from among unemployed and underemployed persons (section 205(c)(20)).

(3) Special consideration shall be given to eligible disabled veterans, special veterans, and veterans who served in the Armed Forces and who received other than a dishonorable discharge within four years before the date of their application. Each eligible applicant selecting participants for programs funded under Title II of the Act, shall take into consideration the extent that such veterans are available in the area. Specific effort should be made to develop appropriate full or part-time opportunities for such veterans. In order to insure special consideration for veterans, all public service employment vacancies under Title II, except those to which former employees are being recalled, must be listed with the State employment service at least 48 hours (excluding Saturdays, Sundays, and holidays) before such vacancies are filled. During this period, the employment service will refer those veterans specified above. If sufficient numbers of veterans are not available, the employment service, upon request, may also refer members of other significant segments. All other applicants are to be referred after the 48-hour period (section 205(c)(5)). The eligible applicant should utilize the assistance of State and local veterans employment representatives in formulating its program objectives.

Each eligible applicant shall, on a continuing and timely basis, provide information on job vacancies and training opportunities funded under Title II of the Act to State and local veterans employment representatives and to other veterans organizations for the purpose of disseminating information to eligible veterans (section 104(b) of Emergency Jobs and Unemployment Assistance Act of 1974).

E. Additional Assurances for Title VI Programs. All assurances in C above apply to activities funded under Title VI. In addition the applicant will assure that:

1. Only persons residing in the area served by the eligible applicant under Title VI of the Act will be hired to fill jobs created under the Act and that the public services provided by such jobs shall, to the extent feasible, be designed to benefit the residents of such areas except that funds allocated under Title VI of the Act (section 603(a)(2)(B)), to an area of substantial unemployment shall only be used to provide project and program opportunities to persons residing in those areas of substantial unemployment (section 603(a)(2)).
2. All persons employed under any program, other than necessary technical, supervisory and administrative personnel, will be selected from among unemployed and underemployed persons and that under Title VI preferred consideration shall be given, to the maximum extent feasible, consistent with provisions of the Act, to unemployed persons who have exhausted unemployment insurance benefits, to unemployed persons who are not eligible for unemployment insurance benefits (except for persons lacking work experience) and to unemployed persons who have been unemployed for 15 or more weeks.

PROJECT OPERATION

I. The Mariposa County Employment and Training Office address is: P.O. Box 278, Mariposa, California 95338 and phone number is (209) 966-3643. John L. Rotondo is the Project Administrator.

The Project Administrator handles the monitoring and counseling and the interviewing of applicants. The participants' eligibility is determined by the application and financial affidavit. Special attention is given to the significant segments.

Upon entering the program, each participant is instructed to bring any grievance to the Project Administrator and the situation will be handled accordingly. All participants are given a copy of "The Comprehensive Employment and Training Act of 1973: Your Civil Rights." They are advised of the pay procedure. A cover sheet is included in each file with each item covered in the interview dated.

We do not have any industry. The biggest employer is Yosemite National Park, followed by the County of Mariposa and the State and Federal Forest Service.

The significant segments we serve are: (1) Economically Disadvantaged, (2) Public Assistance Recipients, (3) American Indian, and (4) Spanish American.

WORK OPPORTUNITY

I. All of the participants will work in County Departments and will be placed according to their job goals. This will provide them with on-the-job training as well as their education to help give them a background to go into an unsubsidized job.

Each participant will be paid the minimum wage of $2.85 an hour, and they will be able to work at least 52 days but not more than 80 days on the program.

Here is a chart describing the estimated number of participants by sex and age groups:

Title III - Summer Youth

Addition to Project Narrative

The conservationists, clerk-typists, maintenance, and groundsman positions are increased from 55 days for each participant to 86 days. The custodian positions have been increased to 57 days. The occupational job titles, duties and wages of the participants will remain the same.

We overhired by more than 15% in our Contract. This was due to the fact that the County needed these Summer Youth participants to relieve some of their work load. This was also due to the increase of population, and the amount of qualified applicants we received.

This modification will enable us to continue operating our Summer Youth Program on an effective level. This will allow us to Maintain 25 participants through August and up until September 30, 1976.

TOTAL FRINGE BENEFITS $4,280.00
STANDARDS OF PROJECT

A. The Subgrantee agrees the intent of CETA is to place as many people as possible in unsubsidized employment as quickly as possible. To accomplish this goal the following policies and objectives will be used.

1. Work Experience

Work experience is a short term assignment to directly enhance the future employability of youth or to increase the potential of adults in attaining a planned occupational goal. Participants who will be entering the labor force in the near future should be enrolled. Work experience is not designed to be an income or educational maintenance program. Work Experience participation will be limited to nine (9) months or 1584 hours (9 months x 176 hours = 1584 hours) which ever comes first.

2. Public Service Employment

Enrollment in public service employment is limited to eighteen (18) months (exception: Prime Sponsor approved extension). Public Employment Program (PEP) time is to be considered as public service employment time. This policy is intended to increase the percentage of placements to non-positive terminations and to serve the maximum number of participants.

3. Unplanned Carry-Over Monies

Unplanned carry-over money is money previously allocated for a specific function, but that was not spent for various reasons such as late start-up, salary savings, under-enrollment, etc. Due to the high level of unemployment in BOS counties, this Prime Sponsor cannot afford subgrantee non-performance in excess of 15%.

   a. Therefore, Title I unplanned carry-over monies will be recaptured by the Prime Sponsor on a quarterly basis beginning December 31, 1976. These monies will be reallocated by the Prime Sponsor for special projects to ensure CETA money is being used to serve the maximum number of BOS county residents.

   b. Therefore, Title II and VI unplanned carry-over monies will be recaptured by the Prime Sponsor on a quarterly basis beginning December 31, 1976 (exception: Program Agent Counties). These monies will be reallocated by the Prime Sponsor to counties of proven performance.

4. Title II Placement Goals

The intent of CETA is to place participants in unsubsidized employment; accordingly, this subgrantee adopts the following placement goal for Title II Public Service Employment.

Check one:

☐ Placing half of the cumulative participants in unsubsidized private or public sector employment.

XX Placing participants in half the vacancies occurring in suitable occupations in the employing agencies' permanent work force which are not filled by promotion within the agency.

CETA 59 (5/76)
STANDARDS OF PROJECT

B. The Subgrantee also agrees:

1. That performance will be in accordance with the Project Narrative within the period of this subgrant.

2. There will be no delays in performance except those listed below.

3. That major subgrant modifications will be submitted to change any budget item or participant service level by more than 5%.

4. All statistical and fiscal reports will be submitted as scheduled by the Prime Sponsor.

5. That all subcontractors and participating agencies under this subgrant will adhere to standards adequate to provide compliance with this subgrant.

6. To comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and Federal Water Pollution Control Act.

The applicant also certifies that the information in this application is correct to the best of its knowledge and belief and the filing of this application has been fully authorized.

ASSURANCES AND CERTIFICATIONS

n. The program will not result in the displacement of employed workers or impair existing contracts for services or result in the substitution of Federal funds for other funds in connection with work that would otherwise be performed (section 703(7)).

o. Training will not be for any occupations which require less than two weeks of pre-employment training, unless immediate employment opportunities are available in that occupation (section 703(8)).

p. Training and related services will, to the extent practicable, be consistent with every individual’s fullest capabilities and lead to employment opportunities which will enable participants to become economically self-sufficient (sections 703(9) and 105(a)(6)).

Wages in the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, and the Trust Territory of the Pacific Islands shall be consistent with the Federal, State, or local law otherwise applicable; (b) the State or local minimum wage for the most nearly comparable covered employment, or (c) the prevailing rates of pay for persons employed in similar public occupations by the same employer (section 208(a)(2)).

w. It will comply with the labor standards requirements set out in section 706 of the Act.

x. Services and activities provided under this Act will be administered by or under the supervision of the subgrantee (sections 105(a)(1)(B) and 205(c)(1)).

1. Special consideration will be given to the filling of jobs which provide sufficient prospects for advancement or suitable continued employment by providing complementary training and manpower services designed to (1) promote the advancement of participants to employment or training opportunities suitable to the individuals involved, whether in the public or private sector of the economy, (2) provide participants with skills for which there is an anticipated high demand, or (3) provide participants with self-development skills; except where exempt under the provisions of section 604 of the Act, provided, however, that nothing contained in this paragraph shall be construed to preclude persons or programs for whom the foregoing goals are not feasible or appropriate (sections 205(c)(4) and 604).

2. To the extent feasible, public service jobs shall be provided in occupational fields which are most likely to expand within the public or private sector as the unemployment rate recedes except where exempt under section 604 of the Act (sections 205(c)(6) and 604).

3. Special consideration in filling transitional public service jobs will be given to unemployed persons who are the most severely disadvantaged in terms of the length of time they have been unemployed without assistance, but such special consideration shall not authorize the hiring of any person when any other person is on lay-off from the same or any substantially equivalent job (section 205(c)(7)).

4. No funds will be used to hire any person to fill a job opening created by the action of an employer in laying off or terminating the employment of any other regular employee not supported under the Act in anticipation of filling the vacancy so created by hiring an employee to be supported under the Act (section 205(c)(8)).
ASSURANCES AND CERTIFICATIONS

(1) Only persons residing within the areas of substantial unemployment qualifying for assistance will be hired to fill jobs created under Title II of the Act and the public services provided by such jobs shall, to the extent feasible, be designed to benefit the residents of such areas (section 205(c)(3)).

(2) All persons employed under any program, other than necessary technical, supervisory, and administrative personnel, will be selected from unemployed and underemployed persons (section 205(c)(20)).

(3) Special consideration shall be given to eligible disabled veterans, special veterans, and veterans who served in the Armed Forces and who received other than a dishonorable discharge within four years before the date of their application. Each Subgrantee selecting participants for programs funded under Title II of the Act, shall take into consideration the extent that such veterans are available in the area. Specific effort should be made to develop appropriate full or part-time opportunities for such veterans. In order to insure special consideration for veterans, all public service employment vacancies under Title II, except those to which former employees are being recalled, must be listed with Employment Development Department at least 48 hours (excluding Saturdays, Sundays and holidays) before such vacancies are filled. During this period, the employment service may refer those veterans specified above. If sufficient numbers of veterans are not available, the employment service, upon request, may also refer members of other significant segments. All other applicants are to be referred after the 48-hour period (section 205(c)(5)). The Subgrantee should utilize the assistance of State and local veterans employment representatives in formulating its program objectives.

Each Subgrantee shall, on a continuing and timely basis, provide information on job vacancies and training opportunities funded under Title II of the Act to State and local veterans employment representatives and to other veterans organizations for the purpose of disseminating information to eligible veterans (section 104(b) of Emergency Jobs and Unemployment Assistance Act of 1974).

1. Only persons residing in the area served by the Subgrantee under Title VI of the Act will be hired to fill jobs created under the Act and that the public services provided by such jobs shall, to the extent feasible, be designed to benefit the residents of such areas except that funds allocated under Title VI of the Act (section 603(a)(2)(3)), to an area of substantial unemployment shall only be used to provide project and program opportunities to persons residing in those areas of substantial unemployment (section 603(a)(2)).

2. All persons employed under any program, other than necessary technical, supervisory, and administrative personnel, will be selected from among unemployed and underemployed persons and that under Title VI preferred consideration shall be given, to the maximum extent feasible,

8. Where appropriate, it will maintain or provide linkages with upgrading and other manpower programs for the purpose of (1) providing those persons employed in public service jobs who want to pursue work with the employer, in the same or similar work, with opportunities to do so and to find permanent, upwardly mobile careers in that field, and (2) providing those persons so employed who do not wish to pursue permanent careers in such field, with opportunities to seek, prepare for, and obtain work in other fields (sections 205(c)(19) and 604).

11. Jobs will be allocated equitably to local governments and agencies taking into account the number of unemployed persons within their jurisdictions and the needs of the agencies (section 205(c)(23)).

12. The jobs in each job category in no way infringe upon the promotional opportunities which would otherwise be available to persons currently employed in public service jobs not subsidized under the Act, and assure that no job will be filled in other than an entry level position in each job category until applicable personnel procedures and collective bargaining agreements have been complied with (section 205(c)(24)).

PROJECT NARRATIVE

PROJECT MANAGEMENT INFORMATION

I. Organization and Staff of Project:

We will hire twelve (12) conservationists between the ages of 18 to 21 to work under the joint supervision of California Division of Forestry and the Employment and Training Office. CDF will supply a bus for transportation from the station to the work site and they will provide necessary tools and safety gear. CDF is not a subcontractor. These conservationists will work clearing brush along the highways and making firebreaks. This will provide valuable work experience to help prepare them to go into an unsubsidized job. In addition, we will send out four (4) maintenance men to keep the tools and gear in order and to help work around the warehouse and firecamps and learn some skills.

We will place two (2) life-guard trainees at the Parks and Recreation Department so that they might acquire skills in first-aid and help instruct teaching and handling the general public.

We will assign two (2) cashier-clerks to Parks and Recreation Department to work in the concession stands and they will acquire knowledge in merchandising and in handling money.

We will have one (1) custodian at the Building and Grounds Department and one (1) at the Fairgrounds. They will acquire skills in maintaining the facilities, yard work, and maintenance of the buildings.

A clerk-typist will be assigned to each of the following departments where they will acquire additional skills in office work such as typing and filing: Tax Assessors, County Clerk, District Attorney, and School Department.

A playground supervisor will be assigned to the Parks and Recreation Department where he will gain experience in maintenance of the baseball field and will have some knowledge of working with the younger little leaguers.

All of the above positions will be filled by Work Experience participants.

II. Project Management:

The payroll and monthly reports are handled by the office of the project administrator. The money as it is received from the State is deposited in an account with the Auditor and the payroll is submitted to the Auditor and they draw the warrants and we see that they go to the participants.
