WHEREAS, State law mandates that local governments are to have an air pollution control program; and
WHEREAS, local governments have established air pollution control programs; and
WHEREAS, the Air Pollution Control Districts have been under continuing pressure by the State Air Resources Board to expand programs to satisfy Federal and State requirements; and

Whereas, the continual expansion of programs and inflationary trends have resulted in increased costs for air pollution control for local government; and

WHEREAS, the State Assembly and State Senate recognized the need and propriety of reimbursing local government for the inflationary costs by the amount of 1.7 million dollars in the Fiscal Year 1977-1978 budget; and

WHEREAS, the Governor has deleted from the legislative-approved budget additional funding, pending further study:

NOW, THEREFORE, BE IT RESOLVED that the Mariposa County Air Pollution Control Board requests the State Legislature by whatever appropriate powers and means are available to give reimbursement to local government for the inflationary costs associated with subvention funding of air pollution control programs; and

BE IT FURTHER RESOLVED, that the Mariposa County Air Pollution Control Board requests that the State Legislature provide that any studies on which funding for local government air pollution programs are to be based must include input from the Air Pollution Control Districts; and

BE IT FURTHER RESOLVED, that copies of this resolution be sent to other Air Pollution Control Boards in the State of California, to State Legislators, to the Governor, and the Chairman of the Air Resources Board and to the Chairman of
of all Air Pollution Control Coordinating Councils in the State of California.

PASSED AND ADOPTED at a regular meeting of the Board of Supervisors, acting as Mariposa County Air Pollution Control Board, Mariposa County, State of California, on this 21st day of February, 1978, by the following vote:
