MARIPOSA COUNTY RESOLUTION NO. 78-44
TRANSFER OF THE SANITARY ENGINEERING SECTION

WHEREAS sanitary engineering is a fundamental part of the State Department of Health, and
WHEREAS water quality is one of the most basic components of the public responsibility for insuring the health of the population, and
WHEREAS the State Department of Health must work closely with local health departments on water quality issues in order to protect the health of the people of the State, and
WHEREAS the Sanitary Engineering Section depends greatly upon the assistance received from a wide variety of other health professionals in the Department of Health, and
WHEREAS the Sanitary Engineering Section of the Department of Health has been able to work closely and effectively with the State Water Resources Control Board in the past, and
WHEREAS there is presently under consideration a proposal to move the Sanitary Engineering Section from the Department of Health to the jurisdiction of the State Water Resources Control Board, and
WHEREAS a new Director of the Department of Health Services will be selected by the Governor in the very near future,

THEREFORE, be it resolved that the Board of Supervisors of Mariposa County urges the Governor to delay consideration on the proposal to remove sanitary engineering from the Department of Health until such time as a new Director of Health Services is appointed and can be consulted for his or her advise on this matter, and be it further resolved that a copy of this resolution
be sent to Governor Edmund G. Brown, Jr., Senators Zenovich, Waters, Johnson, Assemblyman Maddy, Jim Mulligan, Dept. of Health Services, CSAC, and RCRC.
