RESOLUTION - ACTION REQUESTED 2019-614

MEETING: October 22, 2019

TO: The Board of Supervisors

FROM: Pete Judy, Chief Probation Officer

RE: 2019-2022 Justice Assistance Grant Program

RECOMMENDATION AND JUSTIFICATION:
Adopt a resolution to participate in the Edward Byrne Memorial Justice Assistance Federal Grant Program, also known as the Drug Enforcement Team, effective October 1, 2019 through December 31, 2022; and authorize the Chief Probation Officer to sign the grant application and agreement, including any amendments, modifications or extensions thereof, with the Board of State and Community Corrections (BSCC) for annual funding based on Federal allocations to the State of California (Subject to approval as to form by County Counsel.).

Mariposa County Probation Department re-submitted an application to BSCC on April 25, 2019 to continue JAG funding for the existing Drug Enforcement Team program. This funding supports the salaries and benefits of four county positions assigned to grant activities. On September 12, 2019, BSCC approved the grant application submitted by the Probation Department.

A budget action increasing revenue and appropriations will be brought back to the Board for approval. Disbursement of grant funds will occur on a reimbursement basis for costs incurred during each quarterly reporting period over the next three years.

The grant application has been approved for funding by BSCC in an amount not to exceed 607,134.00 for the term of the agreement beginning October 1, 2019 and ending December 31, 2022. Program funding is contingent on Federal allocations to the State in years two and three.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Edward Byrne Memorial Justice Assistance Grant (JAG) Program was created as part of the Consolidated Appropriations Act of 2005. Mariposa County has been receiving these funds annually to support the Drug Enforcement Team, formerly known as the Drug Task Force. The Board of Supervisors has consistently authorized the Chief Probation Officer to sign the Edward Byrne Memorial Justice Assistance Federal Grant applications, agreements and other grant related documents.
Resolution - Action Requested 2019-614

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
If this request is not granted, the County will not be able to accept the grant award from the Board of State and Community Corrections and the Drug Enforcement Team program will not be funded.

FINANCIAL IMPACT:
A budget action increasing revenue and appropriations will be brought back to the Board for approval. The Justice Assistance Grant is fully funded with State and Federal Grant Funds.

F. The Local Evaluation Plan December 31, 2019

G. The Local Evaluation Report December 31, 2022

H. Grantees shall submit all other reports and data as required by the BSCC.

6. PROJECT RECORDS

A. The Grantee shall establish an official file for the project. The file shall contain adequate documentation of all actions taken with respect to the project, including copies of this Grant Agreement, approved program/budget modifications, financial records, and required reports.
EXHIBIT A: SCOPE OF WORK

B. The Grantee shall establish separate accounting records and maintain documents and other evidence sufficient to properly reflect the amount, receipt, and disposition of all project funds, including grant funds, any matching funds by the Grantee, and the total cost of the project. Source documentation includes copies of all awards, applications, approved modifications, financial records, and narrative reports.

C. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports are required for consultants (subcontractors).

D. The grantee shall maintain documentation of donated goods and/or services, including the basis for valuation.

E. Grantee agrees to protect records adequately from fire or other damage. When records are stored away from the Grantee’s principal office, a written index of the location of records stored must be on hand and ready access must be assured.

F. All Grantee records relevant to the project must be preserved a minimum of three (3) years after closeout of the grant project and shall be subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and auditing by the BSCC or designees. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.

7. CONFLICT OF INTEREST

A. Existing law generally prohibits any person who participated on the JAG Executive Steering Committee (See Appendix A) from receiving JAG grant funds directly or indirectly (e.g., being paid by an employer receiving grant funds). However, public employees or public officers are deemed not to have a financial conflict of interest for purposes of the JAG grant and their employing agencies are eligible to apply. (See Pen. Code, § 6025.1, subd. (b).)

B. In cases of an actual conflict of interest with an ESC member, the Board may revoke the grant award and legal consequences could exist for the parties involved, including, but not limited to, repayment of the grant award.

8. AUDIT

Grantee is required to complete an audit annually for each fiscal year/audit period, or fraction thereof, for the entire three-year grant cycle. Grantees may choose either a program-specific audit or a single federal audit. Federal guidelines allow grantees receiving $750,000 or more in federal funds in a fiscal year to use their federal justice assistance grant funds to pay for the cost of the audit. Grantees falling below the $750,000 threshold must use non-federal funds (i.e., match funds) to pay for audit costs.
EXHIBIT A: SCOPE OF WORK

For purposes of this grant award, please check one of the boxes below to indicate the grantee's choice for meeting the audit requirement.

☑ In conformance with Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the California State Controller's Accounting Standards and Procedures, Chapter 23, Grant Accounting Index, the identified grant will be included in the City/County Single Federal Audit Report, which will be submitted to the BSCC within 30 days of the Grantee's receipt of the report or within nine months following the end of the audit period, whichever is earlier.

OR

☐ In conformance with Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the California State Controller's Accounting Standards and Procedures Chapter 23, Grant Accounting Index, the grantee will provide a Program-Specific Final Audit Report to the BSCC within 30 days of the Grantee's receipt of the report or within nine months following the end of the audit period, whichever is earlier.

OR

☐ In conformance with Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the non-governmental entity grantee does not expend $750,000 or more in total federal awards during the fiscal year and is therefore, exempt from Federal audit requirements for this grant contract period. However, the entity understands that it must keep and maintain the grant records and make them available for review or audit by appropriate officials of the Federal agency, pass-through agency (i.e., the Board of State and Community Corrections) and Governmental Accountability Office.

9. DATA UNIVERSAL NUMBERS SYSTEM (DUNS)

The Contractor/grantee (entity entering into contract with the BSCC) must maintain active registration of their Data Universal Numbers System (DUNS) number, used for this Grant Agreement, throughout the term of the contract. An active DUNS number is also required to remain in compliance with the Federal Funding Accountability and Transparency Act (FFATA), a reporting tool for Federal prime awardees (i.e. prime contractors and prime grants recipients) use to capture and report subaward and executive compensation.
EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

10. INVOICING AND PAYMENTS

A. The Grantee shall be paid quarterly in arrears by submitting an invoice (Form 201) to the BSCC that outlines actual expenditures claimed for the invoicing period.

*Note: Only expenditures associated with completion of the Final Local Evaluation Report may be included on this last invoice.

B. All project expenditures (excluding costs associated with the completion of the Final Local Evaluation Report) and all obligated match contributions must be incurred by the end of the grant project period, September 30, 2022, and included on the invoice due November 15, 2022. Project expenditures and match dollars incurred after September 30, 2022 will not be reimbursed/eligible for contribution.

C. The Final Local Evaluation Report is due to BSCC by December 31, 2022. Expenditures incurred solely for the completion of the Final Local Evaluation Report will be reimbursed for the close-out period of October 1, 2022 through December 31, 2022 and must be submitted on the last invoice, due January 31, 2022. All fiscal supporting documentation for the Final Local Evaluation Report expenditures must be submitted to the BSCC with this final invoice.

D. The Grantee shall submit an invoice to the BSCC each invoicing period, even if grant funds are not expended or requested during the invoicing period.

E. Supporting documentation must be submitted for expenditures upon BSCC’s request. All supporting documentation must be maintained by the grantee on site and be readily available for review during BSCC site visits.
EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

11. GRANT AMOUNT AND LIMITATION
   A. In no event shall the BSCC be obligated to pay any amount in excess of the grant award. Grantee waives any and all claims against the BSCC and the State of California and the Federal Government on account of project costs that may exceed the sum of the grant award.
   B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

12. BUDGET CONTINGENCY CLAUSE
   A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent year covered under this Grant Agreement does not appropriate funds for the purposes of this program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.
   B. This Grant Agreement is valid and enforceable only if sufficient funds are made available by the U.S. Department of Justice, Office of Justice Programs. Grantee agrees that the BSCC’s obligation to pay any sum to the Grantee under any provision of this agreement is contingent upon the availability of sufficient funds.

13. PROJECT COSTS
   A. Grantee is responsible for ensuring that actual expenditures are for eligible project costs. “Eligible” and “ineligible” project costs are set forth in the most current version of the BSCC Grant Administration Guide, which can be found under Quick Links, here: 

   http://www.bssc.ca.gov/s_correctionsplanningandprograms.php

   The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.

   B. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.

   C. Grant funds must be used to supplement existing funds for program activities and may not replace (supplant) non-state/state grant funds that have been appropriated for the same purpose. Potential supplanting will be the subject of grant monitoring. Violations can result in a range of penalties (e.g., recoupment of monies provided under this grant, suspension of future program funding through BSCC grants, and civil/criminal penalties).
EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

14. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

15. WITHHOLDING OF GRANT DISBURSEMENTS

A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.

B. At such time as the balance of federal funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:
   1) submittal and approval of the final invoice;
   2) submittal and approval of the final progress report;
   3) submittal and approval of any additional required reports; and
   4) submittal and approval of the final audit of expenditures.

C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.

D. In the event that grant funds are withheld from the Grantee, the BSCC’s Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

16. PROJECT BUDGET

Expending of grant funds is limited to: Year 1: no more than the amount requested for Year 1; Year 2: no more than the amount requested for Year 2 plus any carry over of unspent funds from Year 1 (use of carry over funds requires BSCC pre-approval); and Year 3: no more than the amount requested for Year 3 plus any pre-approved unspent carry over funds from Years 1 and 2.

All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

8. **INDEPENDENT CONTRACTOR:** Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.
9. **RECYCLING CERTIFICATION**: The Contractor shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post-consumer material as defined in the Public Contract Code Section 12200, in products, materials, goods, or supplies offered or sold to the State regardless of whether the product meets the requirements of Public Contract Code Section 12209. With respect to printer or duplication cartridges that comply with the requirements of Section 12156(e), the certification required by this subdivision shall specify that the cartridges so comply (Pub. Contract Code §12205).

Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours’ notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

11. **CERTIFICATION CLAUSES**: The CONTRACTOR CERTIFICATION CLAUSES contained in the document CCC 04/2017 are hereby incorporated by reference and made a part of this Agreement by this reference as if attached hereto. (http://www.dgs.ca.gov/ols/Resources/StandardContractLanguage.aspx)

12. **TIMELINESS**: Time is of the essence in this Agreement.

13. **COMPENSATION**: The consideration to be paid Contractor, as provided herein, shall be in compensation for all of Contractor’s expenses incurred in the performance hereof, including travel, per diem, and taxes, unless otherwise expressly so provided.
EXHIBIT C: GENERAL TERMS AND CONDITIONS

14. GOVERNING LAW: This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

15. ANTITRUST CLAIMS: The Contractor by signing this agreement hereby certifies that if these services or goods are obtained by means of a competitive bid, the Contractor shall comply with the requirements of the Government Codes Sections set out below.

A. The Government Code Chapter on Antitrust claims contains the following definitions:

1) "Public purchase" means a purchase by means of competitive bids of goods, services, or materials by the State or any of its political subdivisions or public agencies on whose behalf the Attorney General may bring an action pursuant to subdivision (c) of Section 16750 of the Business and Professions Code.

2) "Public purchasing body" means the State or the subdivision or agency making a public purchase. Government Code Section 4550.

B. In submitting a bid to a public purchasing body, the bidder offers and agrees that if the bid is accepted, it will assign to the purchasing body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the bidder for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the bidder. Government Code Section 4552.

C. If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the public body as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Government Code Section 4553.

D. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action. See Government Code Section 4554.

16. CHILD SUPPORT COMPLIANCE ACT: For any Agreement in excess of $100,000, the contractor acknowledges in accordance with Public Contract Code 7110, that:

A. The contractor recognizes the importance of child and family support obligations and shall fully comply with all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and
EXHIBIT C: GENERAL TERMS AND CONDITIONS

B. The contractor, to the best of its knowledge is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

17. UNENFORCEABLE PROVISION: In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.

18. PRIORITY HIRING CONSIDERATIONS: If this Contract includes services in excess of $200,000, the Contractor shall give priority consideration in filling vacancies in positions funded by the Contract to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with Pub. Contract Code §10353.

19. SMALL BUSINESS PARTICIPATION AND DVBE PARTICIPATION REPORTING REQUIREMENTS:

A. If for this Contract Contractor made a commitment to achieve small business participation, then Contractor must within 60 days of receiving final payment under this Contract (or within such other time period as may be specified elsewhere in this Contract) report to the awarding department the actual percentage of small business participation that was achieved. (Govt. Code § 14841.)

B. If for this Contract Contractor made a commitment to achieve disabled veteran business enterprise (DVBE) participation, then Contractor must within 60 days of receiving final payment under this Contract (or within such other time period as may be specified elsewhere in this Contract) certify in a report to the awarding department: (1) the total amount the prime Contractor received under the Contract; (2) the name and address of the DVBE(s) that participated in the performance of the Contract; (3) the amount each DVBE received from the prime Contractor; (4) that all payments under the Contract have been made to the DVBE; and (5) the actual percentage of DVBE participation that was achieved. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. (Mil. & Vets. Code § 999.5(d); Govt. Code § 14841.)

[PCC 10344(e).]
EXHIBIT D: SPECIAL TERMS AND CONDITIONS

1. GRANTEE’S GENERAL RESPONSIBILITY
   A. Grantee agrees to comply with all terms and conditions of this Grant Agreement. Review and approval by the BSCC is solely for the purpose of proper administration of grant funds and shall not be deemed to relieve or restrict the Grantee’s responsibility.

   B. Grantee is responsible for the performance of all project activities identified in Attachment 1: 2018 JAG Request for Proposals, and Attachment 2: 2018 JAG Application for Funding.

   C. Grantee shall immediately advise the BSCC of any significant problems or changes that arise during the course of the project.

2. GRANTEE ASSURANCES AND COMMITMENTS
   A. Compliance with State Laws and Regulations
      This Grant Agreement is governed by and shall be interpreted in accordance with the laws of the State of California. Grantee shall at all times comply with all applicable state laws, rules and regulations, and all applicable local ordinances.

   B. Compliance with Federal Laws and Regulations
      The Grantee hereby assures and certifies compliance with all applicable federal statutes, regulations, policies, guidelines and requirements, including all JAG Federal Award Conditions applicable to the 2016, 2017, and 2018 JAG Awards. The 2016, 2017, and 2018 JAG Federal Award Conditions are included in this Grant Agreement as Exhibit E. Please note that federal award conditions are subject to change in subsequent funding years and grantees will be required to comply with any future changes to remain eligible for federal funding. The 2019 JAG Federal Award Conditions will be made available to grantees once received by the BSCC. Grantee will assure and certify compliance with all 2019 JAG Federal Award Conditions prior to expenditure of 2019 JAG funds, which the BSCC estimates will occur no earlier than January 1, 2021. If grantee does not agree to comply with the 2019 JAG Federal Award conditions, grantee will be ineligible to receive the final 1/3 of their funding under this Grant Agreement.

   C. Fulfillment of Assurances and Declarations
      Grantee shall fulfill all assurances, declarations, representations, and statements made by the Grantee in Attachment 1: 2018 JAG Request for Proposals, Attachment 2: 2018 JAG Application for Funding, documents, amendments, approved modifications, and communications filed in support of its request for grant funds.

   D. Permits and Licenses
      Grantee agrees to procure all permits and licenses necessary to complete the project, pay all charges and fees, and give all notices necessary or incidental to the due and lawful proceeding of the project work.
EXHIBIT D: SPECIAL TERMS AND CONDITIONS

3. POTENTIAL SUBCONTRACTORS

A. In accordance with the provisions of this Grant Agreement, the Grantee may subcontract with providers for services needed to implement and/or support program activities. Grantee agrees that in the event of any inconsistency between this Grant Agreement and Grantee’s agreement with a subcontractor, the language of this Grant Agreement will prevail.

B. Nothing contained in this Grant Agreement, or otherwise, shall create any contractual relation between the BSCC and any subcontractors, and no subcontract shall relieve the Grantee of its responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the BSCC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Grantee. The Grantee’s obligation to pay its subcontractors is an independent obligation from the BSCC’s obligation to make payments to the Grantee. As a result, the BSCC shall have no obligation to pay or to enforce the payment of any monies to any subcontractor.

C. Grantee shall ensure that all subcontractors comply with all requirements of this Grant Agreement.

D. Grantee assures that for any subcontract awarded by the Grantee, such as insurance and fidelity bonds, as is customary and appropriate, will be obtained.

E. Grantee agrees to place appropriate language in all subcontracts for work on the project requiring the Grantee’s subcontractors to:

1) Books and Records
   Maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the subcontractor’s work on the project in accordance with generally accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the accounting records, to the supporting documentation. These records shall be maintained for a minimum of three (3) years after the acceptance of the project’s final audit of expenditures under the Grant Agreement and shall be subject to examination and/or audit by the BSCC or designees, state government auditors or designees.

2) Access to Books and Records
   Make such books, records, supporting documentations, and other evidence available to the BSCC or designee, the Department of General Services, the Department of Finance, the California State Auditor and their designated representatives during the course of the project and for a minimum of three (3) years after acceptance of the project’s final audit of expenditures. The Subcontractor shall provide suitable facilities for access, monitoring, inspection, and copying of books and records related to the grant-funded project.
EXHIBIT D: SPECIAL TERMS AND CONDITIONS

4. PROJECT ACCESS

Grantee shall ensure that the BSCC, or any authorized representative, will have suitable access to project activities, sites, staff and documents at all reasonable times during the grant period including those maintained by subcontractors. Access to program records will be made available by both the grantee and the subcontractors for a period of three (3) years following the end of the project period.

5. ACCOUNTING AND AUDIT REQUIREMENTS

All funds received by the Grantee shall be deposited into separate fund accounts which identify the funds and clearly show the manner of their disposition. Grantee agrees that the audit and accounting procedures shall be in accordance with generally accepted government accounting principles and practices (see Accounting Standards and Procedures for Counties, California State Controller, Division of Local Government Fiscal Affairs) and adequate supporting documentation shall be maintained in such detail so as to provide an audit trail which will permit tracing transactions from support documentation to the accounting records to the financial reports and invoices. The Grantee further agrees to the following audit requirements:

A. Federal Single Audit Act

If the Grantee expends $750,000 or more in a year in federal funds, Grantee agrees to comply with the provisions pursuant to the Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. CFR Part 200 requires non-federal entities that meet the expenditure criteria to have either a single or program-specific audit conducted for that expenditure year.

B. Interim Audit

The BSCC reserves the right to call for a program audit or a system audit at any time between the execution of this Grant Agreement and the completion or termination of the project. At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement or take other remedies legally available.

C. Annual Audit

1) Within 120 calendar days of this Grant Agreement end date, all Grantees must obtain and submit an annual program audit to the BSCC. Only Grantees expending $750,000 or more in a year are authorized to use federal funds to pay the costs associated with performing the audit. Should the federal single audit report include this grant project, the Grantee may submit the federal single audit to satisfy the annual audit requirement. The audit shall be prepared in accordance with generally accepted auditing standards and government auditing standards for financial and compliance audits.
EXHIBIT D: SPECIAL TERMS AND CONDITIONS

2) Since the audit function must maintain organizational independence, the Grantee’s financial officer for this project shall not perform the annual audit. If the Grantee’s internal auditor performs the audit, the auditor must be organizationally independent from the Grantee’s accounting and project management functions. Additionally, Grantee’s internal auditors who report to the financial officer, or to whom the financial officer reports, shall not perform the audit. The person conducting the audit shall be a certified public accountant, unless a Grantee auditor completes the audit.

6. DEBARMENT, FRAUD, THEFT OR EMBEZZLEMENT

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to grantees that have been:

1) debarred by any federal, state, or local government entities during the period of debarment; or

2) convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All Grantees must have on file with the BSCC a completed and signed Certification of Compliance with BSCC Policies on Debarment, Fraud, Theft and Embezzlement (Required as Appendix E of the original Proposal Package).

7. MODIFICATIONS

No change or modification in the project will be permitted without prior written approval from the BSCC. Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program components contained in the Application for Funding/Grant Proposal, the JAG Year-Two Application for Funding, and the JAG Year-Three Application for Funding. Changes shall not be implemented by the project until authorized by the BSCC.
EXHIBIT D: SPECIAL TERMS AND CONDITIONS

8. TERMINATION
   A. This Grant Agreement may be terminated by the BSCC at any time after grant award
      and prior to completion of project upon action or inaction by the Grantee that
      constitutes a material and substantial breech of this Grant Agreement. Such action or
      inaction includes, but is not limited to:
      1) substantial alteration of the scope of the grant project without prior written approval
         of the BSCC;
      2) refusal or inability to complete the grant project in a manner consistent with
         Attachment 1: 2018 JAG Request for Proposals, Attachment 2: 2018 JAG
         Application for Funding or approved modifications; and
      3) failure to meet prescribed assurances, commitments, recording, accounting,
         auditing, and reporting requirements of the Grant Agreement.
   B. Prior to terminating the Grant Agreement under this provision, the BSCC shall provide
      the Grantee at least 30 calendar days written notice stating the reasons for termination
      and effective date thereof. The Grantee may appeal the termination decision in
      accordance with the instructions listed in Exhibit D: Special Terms and Conditions,
      Number 8. Settlement of Disputes.

9. SETTLEMENT OF DISPUTES
   A. The parties shall deal in good faith and attempt to resolve potential disputes informally.
      If the dispute persists, the Grantee shall submit to the BSCC Corrections Planning
      and Programs Division Deputy Director a written demand for a final decision regarding
      the disposition of any dispute between the parties arising under, related to, or involving
      this Grant Agreement. Grantee’s written demand shall be fully supported by factual
      information. The BSCC Corrections Planning and Programs Division Deputy Director
      shall have 30 days after receipt of Grantee’s written demand invoking this Section
      “Disputes” to render a written decision. If a written decision is not rendered within 30
      days after receipt of the Grantee’s demand, it shall be deemed a decision adverse to
      the Grantee’s contention. If the Grantee is not satisfied with the decision of the BSCC
      Corrections Planning and Programs Division Deputy Director, the Grantee may appeal
      the decision, in writing, within 15 days of its issuance (or the expiration of the 30-day
      period in the event no decision is rendered), to the BSCC Executive Director, who
      shall have 45 days to render a final decision. If the Grantee does not appeal the
      decision of the BSCC Corrections Planning and Programs Division Deputy Director,
      the decision shall be conclusive and binding regarding the dispute and the Contractor
      shall be barred from commencing an action in court, or with the Victims Compensation
      Government Claims Board, for failure to exhaust Grantee’s administrative remedies.
   B. Pending the final resolution of any dispute arising under, related to or involving this
      Grant Agreement, Grantee agrees to diligently proceed with the performance of this
      Grant Agreement, including the providing of services in accordance with the Grant
      Agreement. Grantee’s failure to diligently proceed in accordance with the State’s
EXHIBIT D: SPECIAL TERMS AND CONDITIONS

instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.

C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to the Grantee's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

10. WAIVER

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

2016 JAG Federal Award Conditions

The Grantee hereby assures and certifies compliance with all federal statutes, regulations, policies, guidelines and requirements, including the following:

1. Applicability of Part 200 Uniform Requirements
   The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this 2016 award from the Office of Justice Programs (OJP).

   The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this 2016 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded in 2014 or earlier years), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2016 award.

   For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the Office of Justice Programs (OJP) website at:

   In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. Compliance with DOJ Grants Financial Guide
   The Grantee agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide"), including any updated version that may be posted during the period of performance.

3. Requirement to report potentially duplicative funding
   If the Grantee currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient will promptly notify, in writing, the grant manager for this OJP award.

4. All subawards ("subgrants") must have specific federal authorization
   The Grantee acknowledges that the BSFC, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP website at http://ojp.gov/funding/Explore/SubawardAuthorization.htm (Award condition: Award Condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

5. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed $150,000

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, $150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP website at:

http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm. (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed $150,000)), and are incorporated by reference here.

6. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the Grantee’s obligations related to prohibited conduct related to trafficking in persons are posted on the OJP website at http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

7. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The Grantee and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").

8. Requirement for data on performance and effectiveness under the award
The Grantee must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

9. OJP Training Guiding Principles
Any training or training materials that the Grantee -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at http://ojp.gov/funding/ojptrainingguidingprinciples.htm.

10. Effect of failure to address audit issues
The Grantee acknowledges and agrees to comply with any request related to the following: the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements on the BSCC, if (as determined by the DOJ awarding agency) the BSCC does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

11. The Grantee agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "highrisk" for purposes of the DOJ high-risk grantee list.

12. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42
The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

13. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38
The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to Grantee and subrecipient (“subgrantee”) organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at http://www.ecfr.gov/cgi-bin/ECFR?page=browse), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

14. Restrictions on "lobbying"
Federal funds may not be used by the Grantee, or any subrecipient (“subgrantee”) at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification or adoption of any law, regulation, or policy, at any level of government.

Should any question arise as to whether a particular use of Federal funds by a Grantee (or subrecipient) would or might fall within the scope of this prohibition, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

15. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2016)
The Grantee, and any subrecipient (“subgrantee”) at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a Grantee (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

16. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct
The Grantee and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 950 Pennsylvania Avenue, N.W. Room 4706, Washington, DC 20530; (2) e-mail to: oig.hotline@usdoj.gov; and/or (3) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at http://www.usdoj.gov/oig.

17. Restrictions and certifications regarding non-disclosure agreements and related matters

No Grantee or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1) In accepting this award, the Grantee--
   a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
   b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2) If the Grantee does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--
   a. it represents that--
      (1) it has determined that no other entity that the Grantee's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
      (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
   b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

18. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)
The Grantee must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.
The Grantee also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.
Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

19. Encouragement of policies to ban text messaging while driving
Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages Grantees and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

20. The Grantee acknowledges and agrees to comply with any request related to the BSCC’s requirement to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The Grantee acknowledges and agrees to comply with any request related to the BSCC requirements to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the Grantee understands that the BSCC must abide by reasonable deadlines set by BJA and OCFO for providing the requested documents.

21. The Grantee acknowledges and agrees to comply with any request related to the BSCC’s requirement to comply with applicable requirements to report first-tier subawards of $25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

at http://ojp.gov/funding/Explore/FFATA.htm (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

22. Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.

23. The Grantee acknowledges and agrees to comply with any request related to the BSCC’s requirement to monitor its subrecipients’ compliance with applicable federal civil rights laws. The BSCC has submitted written Methods of Administration (MOA) for ensuring subrecipients’ compliance to the OJP’s Office for Civil Rights at CivilRightsMOA@usdoj.gov; the required elements of an MOA are set forth at http://www.ojp.usdoj.gov/funding/other_requirements.htm, under the heading, "Civil Rights Compliance Specific to State Administering Agencies."

24. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the BSCC to comply with DOJ’s Global Justice Information Sharing Initiative (DOJ’s Global) guidelines and recommendations for this particular grant. The Grantee acknowledges and agrees to comply with any request related to the BSCC’s requirement to conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: http://www.it.ojp.gov/gsp_grantcondition.

25. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

26. The Grantee agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). Grantee may not satisfy such a fine with federal funds.

27. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtaining of Institutional Review Board approval, if appropriate, and subject informed consent.

28. The Grantee agrees that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA’s Center for Task Force Integrity and Leadership (www.ctflii.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA’s web site and the Center for Task Force Integrity and Leadership (www.ctflii.org).

29. The Grantee agrees to participate in BJA-sponsored training events, technical assistance events, or conferences held by BJA or its designees, upon BJA’s request.

30. Approval of this award does not indicate approval of any consultant rate in excess of $650 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation of expenditure of such funds.

31. The Grantee agrees to assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the Grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the Grantee agrees to contact BJA.

The Grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

a. New construction;

b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The Grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at http://www.ojp.usdoj.gov/BJA/resource/nepa.html, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the Grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

32. JAG funds may be used to purchase vests for an agency, but they may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.

33. Ballistic-resistant and stab-resistant body armor purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (http://nij.gov). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: http://www.nij.gov/topics/technology/body-armor/safetyinitiative.htm.

34. The Grantee agrees to submit a signed certification that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subrecipients planning to utilize JAG funds for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

35. The Grantee agrees to monitor subcontracts under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the DOJ Financial Guide, and to include the applicable conditions of this award in any subcontract. The Grantee is responsible for oversight of subcontractor spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by subcontractors. The recipient agrees to submit to the BSCC, upon request, documentation of its policies and procedures for monitoring of subcontracts under this grant.

36. Grantee understands and agrees that award funds may not be used for items that are listed on the Prohibited Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time. The Prohibited Expenditure list may be accessed here: https://www.bja.gov/funding/JAGControlledPurchaseList.pdf.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

37. Grantee understands and agrees that award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA. The Controlled Expenditure List, and instructions on how to request approval for purchase or acquisitions may be accessed here: https://www.bja.gov/funding/JAGControlledPurchaseList.pdf

38. The Grantee understands that, pursuant to recommendation 2.1 of Executive Order 13688, law enforcement agencies that acquire controlled equipment through Federal programs must adopt robust and specific written policies and protocols governing General Policing Standards and Specific Controlled Equipment Standards. General Policing Standards includes policies on (a) Community Policing; (b) Constitutional Policing; and (c) Community Input and Impact Considerations. Specific Controlled Equipment Standards includes policies specifically related to (a) Appropriate Use of Controlled Equipment; (b) Supervision of Use; (c) Effectiveness Evaluation; (d) Auditing and Accountability; and (e) Transparency and Notice Considerations. Upon OJP’s request, the Grantee agrees to provide a copy of the General Policing Standards and Specific Controlled Equipment Standards, and any related policies and protocols.

39. Grantee understands and agrees that the purchase or acquisition of any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, with award funds by an agency will trigger a requirement that the agency collect and retain (for at least 3 years) certain information about the use of 1) any federally-acquired Controlled Equipment in the agency’s inventory, and 2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency’s inventory, regardless of source; and make that information available to BJA upon request. Details about what information must be collected and retained may be accessed here: https://www.whitehouse.gov/sites/default/files/docs/le_equipment_wg_final_report_final.pdf

40. Grantee understands and agrees that failure to comply with conditions related to Prohibited or Controlled Expenditures may result in a prohibition from further Controlled Expenditure approval under this or other federal awards.

41. Grantee understands and agrees that, notwithstanding 2 CFR § 200.313, no equipment listed on the Controlled Expenditure List that is purchased under this award may be transferred or sold to a third party, except as described below:

   a. Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it was requesting approval to use award fund for the initial purchase of items on the Controlled Expenditure List.

   b. Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

c. Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Before any such transfer or sale is finalized, the agency must obtain prior written approval from BJA. All law enforcement-related and other sensitive or potentially dangerous components, and all law enforcement insignias and identifying markings must be removed prior to transfer or sale.

Grantee further understands and agrees to notify BJA prior to the disposal of any items on the Controlled Expenditure List purchased under this award, and to abide by any applicable laws and regulations in such disposal.

42. BJA strongly encourages the Grantee to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to your My BJA account at https://www.bja.gov/Login.aspx to access the Success Story Submission form. If you do not yet have a My BJA account, please register at https://www.bja.gov/profile.aspx. Once you register, one of the available areas on your My BJA page will be "My Success Stories". Within this box, you will see an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the new BJA Success Story web page at https://www.bja.gov/SuccessStoryList.aspx.

43. Any law enforcement agency receiving direct or sub-awarded JAG funding must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

44. The Grantee agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.

45. Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The Grantee acknowledges and agrees to comply with any request related to the BSCC’s requirement to with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of the BSCC’s obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at http://ojp.gov/funding/FAPIIS.htm (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

2017 JAG Federal Award Conditions

The Grantee hereby assures and certifies compliance with all federal statutes, regulations, policies, guidelines and requirements, including the following:

1. Requirements of the award; remedies for non-compliance or for materially false statements

   The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

   Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

   Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 42 U.S.C. 3795a), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

   Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

   The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2017 award from OJP.

   The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2017 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2017 award.

   For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at https://ojp.gov/funding/Part200UniformRequirements.htm.

   In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from,
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

The Grantee agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide, effective December 2017"), including any updated version that may be posted during the period of performance. The DOJ Grants Financial Guide is accessible at: https://ojp.gov/financialguide/DOJ/pdfs/DOJ_FinancialGuide.pdf

4. Requirement to report potentially duplicative funding

If the Grantee currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient will promptly notify, in writing, the grant manager for this OJP award.

5. Requirements related to System for Award Management and Unique Entity Identifiers

The Grantee must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at http://www.sam.gov. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The Grantee acknowledges and agrees to comply with any request related to the BSCC's requirement to comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of all obligations related to SAM and to unique entity identifiers are posted on the OJP web site at http://ojp.gov/funding/Explore/SAM.htm (Award condition: System for Award Management (SAM) and Universal Identifier Requirements) and are incorporated by reference here.

6. All subawards ("subgrants") must have specific federal authorization

The Grantee, and any subgrantee at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at http://ojp.gov/funding/Explore/SubawardAuthorization.htm (Award condition: Award Condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

7. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed $150,000

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, $150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm. (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed $150,000)) and are incorporated by reference here.

8. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award) ), and are incorporated by reference here.

9. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The Grantee and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide, effective December 2017" accessible at: https://ojp.gov/financialguide/DOJ/pdfs/DOJ_FinancialGuide.pdf.)

10. Requirement for data on performance and effectiveness under the award

The Grantee acknowledges and agrees to comply with any request related to the BSCC's requirement to collect and maintain data that measure the performance and effectiveness of
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

11. OJP Training Guiding Principles

Any training or training materials that the Grantee -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at: http://ojp.gov/funding/ojptrainingguidingprinciples.htm.

12. Effect of failure to address audit issues

The Grantee understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

13. Potential imposition of additional requirements

The Grantee agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

14. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

15. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination of the basis of sex in certain "education programs."

16. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to Grantee and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at https://www.ecfr.gov), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

17. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, Grantee, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of Federal funds by a Grantee (or subgrantee) would or might fall within the scope of this prohibition, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

18. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2017)

The recipient, Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2017, are incorporated by reference and are set out at https://ojp.gov/funding/Explore/FY17AppropriationsRestrictions.htm.

Should a question arise as to whether a particular use of federal funds by a Grantee (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

19. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1) In accepting this award, the Grantee--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2) If the Grantee does or is authorized under this award to make subgrants, procurement contracts, or both--
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

   (1) it has determined that no other entity that the Grantee's application proposes may or will receive award funds (whether through a subgrant, procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
   
   (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subgrantee or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

21. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

   The Grantee must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

   The Grantee also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

   Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

23. Cooperating with OJP Monitoring
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

The Grantee acknowledges and agrees to comply with any request related to the BSCC’s requirement to cooperate with OJP monitoring of this award pursuant to OJP’s guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The recipient agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP’s monitoring activities may result in actions that affect the recipient’s DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient’s access to award funds; referral to the DOJ OIG for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

24. FFATA reporting: Subawards and executive compensation

EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

27. Avoidance of duplication of networks

To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the recipient can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

28. Compliance with 28 C.F.R. Part 23

With respect to any information technology system funded or supported by funds under this award, the recipient, Grantee (and any subrecipient at any tier) must comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). The recipient may not satisfy such a fine with federal funds.

Within 120 days of award acceptance, each current member of a law enforcement task force funded with award funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, must complete required online (internet-based) task force training. Additionally, all future task force members must complete this training once during the period of performance for this award, or once every four years if multiple OJP awards include this requirement.

The required training is available free of charge online through the BJA-funded Center for Task Force Integrity and Leadership (www.ctfli.org). The training addresses task force effectiveness, as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. If award funds are used to support a task force, the recipient must compile and maintain a task force personnel roster, along with course completion certificates.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

34. Compliance with National Environmental Policy Act and related statutes
   Upon request, the recipient, Grantee (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA.

   The recipient and Grantee understand that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, Grantee, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are:

   a. New construction;
   b. Application of This Condition to Recipient's Existing Programs or Activities: For any of the recipient's or Grantees' existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

35. Establishment of trust fund

If award funds are being drawn down in advance, the recipient (or Grantee, with respect to subaward) is required to establish a trust fund account. (The trust fund may or may not be an interest-bearing account.) The fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant (JAG). The recipient also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

The recipient must keep signed certifications on file for any subrecipients planning to utilize funds from this award for ballistic-resistant and stab resistant body armor purchases. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

38. Body armor - compliance with NIJ standards

Ballistic-resistant and stab-resistant body armor purchased with JAG award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (https://nij.gov/). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: https://nij.gov/topics/technology/bodyarmor/pages/safety-initiative.aspx.

39. Required data on law enforcement agency training
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

Award funds may not be used for items that are listed on the Prohibited Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time. The Prohibited Expenditure List may be accessed here: https://www.bja.gov/funding/JAGControlledPurchaseList.pdf

41. Controlled expenditures - prior written approval required

Award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA. The Controlled Expenditure List, and instructions on how to request approval for purchase or acquisitions are set out at https://www.bja.gov/funding/JAGControlledPurchaseList.pdf

42. Controlled expenditures - incident reporting

If an agency uses award funds to purchase or acquire any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, the agency must collect and retain (for at least 3 years) certain information about the use of-- (1) any federally-acquired Controlled Equipment in the agency's inventory, and (2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency's inventory, regardless of source; and the agency must make that information available to BJA upon request. Details about what information must be collected and retained are set out at https://ojp.gov/docs/LEEquipment-WG-Final-Report.pdf.

43. Sale of items on Controlled Expenditure List

Notwithstanding the provision of the Part 200 Uniform Requirements set out at 2 C.F.R. 200.313, no equipment listed on the Controlled Expenditure List that is purchased with award funds may be transferred or sold to a third party, except as described below:

a. Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it were requesting approval to use award funds for the initial purchase of items on the Controlled Expenditure List.

b. Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.

c. Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Before any such transfer or sale is finalized, the agency must obtain
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

prior written approval from BJA. All law enforcement-related and other sensitive or potentially dangerous components, and all law enforcement insignias and identifying markings must be removed prior to transfer or sale.

The recipient must notify BJA prior to the disposal of any items on the Controlled Expenditure

44. Prohibited or controlled expenditures - Effect of failure to comply

Failure to comply with an award condition related to prohibited or controlled expenditures may result in denial of any further approvals of controlled expenditures under this or other federal awards.

45. Controlled expenditures - Standards

Consistent with recommendation 2.1 of Executive Order 13688, a law enforcement agency that acquires controlled equipment with award funds must adopt robust and specific written policies and protocols governing General Policing Standards and Specific Controlled Equipment Standards. General Policing Standards includes policies on (a) Community Policing; (b) Constitutional Policing; and (c) Community Input and Impact Considerations. Specific Controlled Equipment Standards includes policies specifically related to (a) Appropriate Use of Controlled Equipment; (b) Supervision of Use; (c) Effectiveness Evaluation; (d) Auditing and Accountability; and (e) Transparency and Notice Considerations. Upon OJP’s request, the recipient must provide a copy of the General Policing Standards and Specific Controlled Equipment Standards, and any related policies and protocols.

46. Use of funds for DNA testing; upload of DNA profiles

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS.

No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA.

Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS.

47. Encouragement of submission of "success stories"

BJA strongly encourages the recipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to a My BJA account at https://www.bja.gov/Login.aspx to access the Success Story Submission form. If the recipient does not yet have a My BJA account, please register at https://www.bja.gov/profile.aspx. Once registered, one of the available areas on the My BJA page will be "My Success Stories." Within this box, there is an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the BJA Success Story web page at https://www.bja.gov/SuccessStoryList.aspx.

The Grantee acknowledges and agrees to comply with any request related to the BSCC’s requirement to monitor subrecipients’ compliance with applicable federal civil rights laws and nondiscrimination provisions. The BSCC has submitted to OJP’s Office for Civil Rights (at CivilRightsMOA@usdoj.gov) written Methods of Administration ("MOA") for subrecipient monitoring with respect to civil rights requirements.

The details of the BSCC’s obligations related to Methods of Administration are posted on the OJP web site at https://ojp.gov/funding/Explore/StateMethodsAdmin-FY2017update.htm (Award condition: "Methods of Administration" - Requirements applicable to States (FY 2017 Update)) and are incorporated by reference here.

49. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

50. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The Grantee acknowledge and agrees to comply with any request related to the BSCC’s requirement to comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of the BSCC’s obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at https://ojp.gov/funding/FAPIIS.htm (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

2018 JAG Federal Award Conditions

The Grantee hereby assures and certifies compliance with all federal statutes, regulations, policies, guidelines and requirements, including the following:

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2018 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2018 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2018 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at https://ojp.gov/funding/Part200UniformRequirements.htm.
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at https://ojp.gov/financialguide/DOJ/index.htm), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2016, will satisfy this condition.

If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

procurement contract under an OJP award are posted on the OJP web site at
https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm (Award condition: Specific

See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

22. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2018)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. 2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both—
   b. It represents that—
      (1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

The recipient agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP’s monitoring activities may result in actions that affect the recipient’s DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient’s access to award funds; referral to the DOJ OIG for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

With respect to any information technology system funded or supported by funds under this award, the recipient (and any subrecipient at any tier) must comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA.

The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. 44. Establishment of trust fund

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish a trust fund account. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

45. Prohibition on use of award funds for match under BVP program

JAG funds may not be used as the 50% match for purposes of the DOJ Bulletproof Vest Partnership (BVP) program.

46. Certification of body armor “mandatory wear” policies

The recipient agrees to submit a signed certification that all law enforcement agencies receiving body armor purchased with funds from this award have a written “mandatory wear” policy in effect. The recipient must keep signed certifications on file for any subrecipients planning to utilize funds from this award for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

47. Body armor – compliance with NIJ standards and other requirements

Ballistic-resistant and stab-resistant body armor purchased with JAG award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (https://nij.gov/topics/technology/body-armor/Pages/compliant-ballistic-armor.aspx). In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information can be found here: https://nij.gov/topics/technology/body-armor/pages/safety-initiative.aspx.

48. Reporting requirements

The recipient must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through OJP’s GMS (https://grants.ojp.usdoj.gov). Consistent with the Department’s responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the recipient must provide data that measure the results of its work. The recipient must submit quarterly performance metrics reports through BJA’s Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required AG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

49. Required data on law enforcement agency training

Any law enforcement agency receiving direct or sub-awarded funding from this JAG award must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

50. Expenditures prohibited without waiver

No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

51. Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2017

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (October 1, 2017), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient’s risk until, at a minimum-- (1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via a Grant Adjustment Notice). (A withholding condition is a condition in the award document that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Except to the extent (if any) that an award condition expressly precludes reimbursement of project costs incurred "at-risk," if and when the recipient makes a valid acceptance of this award and OJP removes each applicable withholding condition through a Grant Adjustment
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

Notice, the recipient is authorized to obligate (federal) award funds to reimburse itself for project costs incurred “at-risk” earlier during the period of performance (such as project costs incurred prior to award acceptance or prior to removal of an applicable withholding condition), provided that those project costs otherwise are allowable costs under the award.

Nothing in this condition shall be understood to authorize the recipient (or any subrecipient at any tier) to use award funds to “supplant” State or local funds in violation of the recipient’s certification (executed by the chief executive of the State or local government) that federal funds will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for law enforcement activities.

52. Use of funds for DNA testing; upload of DNA profiles

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System (“CODIS,” the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS.

No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA.

Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS.

53. Encouragement of submission of “success stories”

BJA strongly encourages the recipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to a My BJA account at https://www.bja.gov/Login.aspx to access the Success Story Submission form. If the recipient does not yet have a My BJA account, please register at https://www.bja.gov/profile.aspx. Once registered, one of the available areas on the My BJA page will be “My Success Stories.” Within this box, there is an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the BJA Success Story web page at https://www.bja.gov/SuccessStoryList.aspx.

54. Withholding of funds: Required certification from the chief executive of the applicant government

The recipient may not obligate, expend, or draw down any award funds until the recipient submits the required "Certifications and Assurances by the Chief Executive of the Applicant Government," properly-executed (as determined by OJP), and a Grant Adjustment Notice (GAN) has been issued to remove this condition.

55. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The Grantee acknowledge and agrees to comply with any request related to the BSCC’s requirement to comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of the BSCC’s obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at https://ojp.gov/funding/FAPIIS.htm (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

56. Withholding of funds: Certification with respect to federal taxes

The recipient may not obligate, expend, or draw down any funds under this award until it has submitted to the program manager, in a format acceptable to OJP, a formal written certification directed to OJP and executed by an official with authority to sign on behalf of the recipient, that the recipient-- (1) has filed all Federal tax returns required for the three tax years immediately preceding the tax year in which the certification is made; (2) has not been convicted of a criminal offense under the Internal Revenue Code of 1986; and (3) has not, more than 90 days prior to this certification, been notified of any unpaid federal tax assessment for which the liability remains unsatisfied, unless the assessment is the subject of an installment agreement or offer in compromise that has been approved by the Internal Revenue Service and is not in default, or the assessment is the subject of a non-frivolous administrative or judicial proceeding; and until a Grant Adjustment Notice (GAN) has been issued to remove this condition.

The certification must be dated, and must indicate the full name and title of the signer, as well as the full legal name of the recipient.

57. Withholding of funds: Budget narrative or information

The recipient may not obligate, expend, or draw down any award funds until the recipient submits, and OJP reviews and accepts, the required budget information or narrative for the award, and a Grant Adjustment Notice (GAN) has been issued to remove this condition.

58. Withholding of funds: Disclosure of pending applications

The recipient may not obligate, expend, or draw down any award funds until: (1) it has provided to the grant manager for this OJP award either an "applicant disclosure of pending applications" for federal funding or a specific affirmative statement that no such pending applications (whether direct or indirect) exist, in accordance with the detailed instructions in the program solicitation, (2) OJP has completed its review of the information provided and of any supplemental information it may request, (3) the recipient has made any adjustments to the award that OJP may require to prevent or eliminate any inappropriate duplication of funding (e.g., budget modification, project scope adjustment), (4) if appropriate adjustments to a discretionary award cannot be made, the recipient has agreed in writing to any necessary
EXHIBIT E: 2016, 2017, AND 2018 JAG FEDERAL AWARD CONDITIONS

reduction of the award amount in any amount sufficient to prevent duplication (as determined by OJP), and (5) a Grant Adjustment Notice has been issued to remove this condition.

Grantees are required to update this list and submit it to BSCC any time a new third-party contract is executed after the initial assurance date. Grantees shall retain (on-site) applicable source documentation for each contracted party that verifies compliance with the requirements listed in the JAG RFP. These records will be subject to all records and retention language in the Standard Agreement.

The BSCC will not disburse or reimburse for costs incurred by any third party that does not meet the requirements listed above and for which the BSCC does not have a signed grantee assurance on file.

A signature below is an assurance that all requirements listed above have been met.
