RESOLUTION - ACTION REQUESTED 2020-533

MEETING: September 1, 2020

TO: The Board of Supervisors

FROM: Eric Sergienko, Health Officer/Acting HHSA Director

RE: MOU with Anthem for Targeted Case Management Services

RECOMMENDATION AND JUSTIFICATION:
Approve a Memorandum of Understanding (MOU) with Anthem to coordinate patient physical and behavioral health Targeted Case Management services; and Authorize the Acting Health and Human Services Agency (HHSA) Director to Sign the Memorandum of Understanding.

The purpose of this Memorandum of Understanding (MOU) is to describe the responsibilities of HHSA and Anthem in the coordination of Targeted Case Management to Anthem’s Medi-Cal beneficiaries. There will be no exchange of funds between Anthem and HHSA, but this MOU will result in additional Federal Financial Participation revenue reimbursed by DHCS to HHSA for services performed to Medi-Cal beneficiaries.

This TCM coordination MOU is required because some of the Medi-Cal beneficiaries in the county service are Anthem Health Plan members. HHSA is under contract with the Department of Health Care Services (DHCS) to serve as a Targeted Case Management (TCM) services provider. A TCM provider is responsible for the provision of TCM services consistent with the requirements of Title 22 of the California Code of Regulations.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
Since 2014, the Board of Supervisors has approved numerous agreements with Anthem for multiple departments within the County of Mariposa.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
If this MOU is not approved, HHSA will forego the additional Federal Financial Participation revenue to be reimbursed by DHCS to HHSA for services performed to Medi-Cal beneficiaries.

FINANCIAL IMPACT:
There will be no exchange of funds between Anthem and HHSA, but this MOU will result in additional Federal Financial Participation revenue reimbursed by DHCS for services performed to Medi-Cal beneficiaries. There is no impact to the County General Fund.
